Improvements

The current owner increased the dead rise and fiberglass overlay approximately 7' aft from the original bow entry position. In addition, the engines were removed and the fiberglass was relaid around the engine area which added significant reinforcement amidship. The forward tower supports were also stiffened. These improvements were made by Roscioli Yachting Center in an effort to improve the head sea keeping ability.

Damage Disclosure

"American Beauty" was run aground approximately 6 years ago and the vessel suffered running gear and hull damage. All running gear was replaced and the hull was repaired by Roscioli Yachting Center.

Exclusions

Owner's personal belongings.
