DETAILED INFORMATION

26' Glacier Bay General Information

The M/V Unchained Melody combines the best features of a power cat built by Glacier Bay. She has a longer hard top which offers sun and additional weather protection. The optional dinette/galley of a 2690 with the open air feeling of the 2680. A stainless-steel radar arch with four rocket launchers and drop curtain make her helm area a very functional space. When combined with the optional creature comforts she makes a great platform for just about anything on the water.
