DETAILED INFORMATION

Vessel Walkthrough

This 54 Viking has everything needed to get out on the water to catch fish and cruise in luxury and style. Starting in the flybridge you have excellent visibility and space to enjoy a day on the water with family and friends. Plenty of seating and two helm chairs take comfort to the next level. The 160 sq. ft. cockpit is rigged and ready to fish with a Release Marine fighting chair, livewell, tuna tubes, a large fish box, and tackle drawers. The mezzanine seating is an excellent place to sit and observe the cockpit while fishing, at anchor, or relaxing at the dock. The West coast style bow rail adds practical and safe access and use of the bow. As you enter the spacious salon you immediately notice Viking's Luxury Edition Décor and incomparable use of space. The dinette is to starboard and the galley is to port. Downstairs through the companionway is access to the starboard stateroom with crossover berths and the starboard head. To port is the master with its upgraded king size bed and own ensuite head. All the way forward is the spacious VIP stateroom with its centerline queen berth and access to the starboard head.
