## Key Features

---

The current owner made an incredible refit that has transformed this 70 Hatteras into a much more modern and open feel. Probably the most unique and desirable 70 on the market with a completely open main deck that is incredible. In the process of the refit he updated all the outdated systems to make the use of the yacht easy and reliable including making all the battery systems separate and adding an inverted power system to the house batteries that can run all your LED lighting onboard, all your Audio Video Equipment, Toilet system and select galley equipment. Giving you the ability to enjoy complete silence and efficiency while at anchor.

## Cockpit

---

Boarding from the Cockpit you are greeted with largest combination in aft deck, cockpit and swimplatform in any 70' Hatteras on the market today. With plenty of room to entertain in absolute comfort and a great place to enjoy moments of relaxing conversation against the ever-changing backdrop of the sea. Ergonomically designed you will find all the necessary amenities close by for whatever the occasion calls for. Transom stairs makes accessing the cockpit a breeze and cockpit door to access the large swim platform a breeze.

## Engine Room

---

Many custom modifications have been made to make the use of everything in the engine room very easy. From a simplified fuel transfer system to easy access to the watermakers. The current owner's main focus was to make it easy to run and very reliable!

Access to the engine room is easy through the passageway that leads to the master stateroom. Unlike most split engine room design's this 70' has a very spacious full

beam engine room. Excellent access to all the machinery making it very easy to service all the equipment. The generators are stored in there own room and access to them is made via the guest cabin sole.
