SPECIFICATIONS

Overview

Stepping aboard this 46 foot fishing legend is inspiring to anglers of all backgrounds. The capable 46 is one of the longest running hull designs Hatteras ever built. She provides her guests with spacious luxuries including two large staterooms with the preferred queen master configuration perfect for an extended fishing expedition and she boasts the popular galley down layout.

Her current owner has recently had her bottom painted, props calibrated and all running gear and zincs replaced and reconditioned. She has been updated with a custom bow rail, a new fly bridge ladder and new rod holders. Both heads have been remodeled with Corian counter tops and new sinks. She features a fishing prep station and custom style seating in her cockpit. She's been outfitted with the ever-dependable Detroit Diesels 71s and has just 600 hrs since rebuild.

She has a full tower, new Garmin 4212 electronics and many other updates that make her feel and look like a much newer vessel. She is in superb condition over all. This Hatteras sticks to tradition and was built with precision and skilled craftsmanship so the quality expected from a yacht of this caliber is built right in. Her sea keeping abilities are absolutely phenomenal and she handles like a dream. One of the truly great fishing machines of all time, she sure to raise the fish and this American classic will keep you, your guests and your family safe with her rugged and proven Jack Hargrave hull design.

She is aggressively seeking a new slip in your back yard as the owner is purchasing a new mid 50' sportfish. All offers will be considered so don't let the fishing season slip by without checking out this beautiful Sportfish.
