Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 1

Manufacturer: Mercruiser

Model: 350 MAG Bravo III

Engine Type: Inboard

Fuel Type: Gas/Petrol

DETAILED INFORMATION

Introduction

Bayliner introduced this very popular entry level cruiser in 2000. It delivered some great features at a reasonable price point. There is full headroom in the salon and a privacy door on the mid cabin. The galley is equipped well enough to satisfy the family for a night at the dock or a weekend away. The visibility from the helm gives you a panoramic view. A walk through windshield provides access to the bow. Aft to the cockpit you will find seating for six with a fold down transom seat and a removable table. This boat has a bimini top and also a full mooring cover. She will cruise at about 20 knots and top out around 28 with her single Mercruiser 350 Mag.

Inside Equipment

- Electric bilge pump
- Battery charger
- Hot water - 120V (6-Gallon) with Exchanger
- Heating - 10,000 BTU
