## Overview

---

With the speed and the range to make those long offshore trips quick and comfortable, the Albemarle 280 Express Fisherman is no lightweight. This is a heavily armed fishing machine which can fish with the big boats any day, time or place. And like all boats in the Albemarle line, the 280 has a beautiful clean fiberglass finish with molded-in non-skid surfaces and low maintenance trim, which are easy to maintain and look great for years. The 280 makes overnight trips and long trips offshore comfortable and productive with a highly functional cabin and cockpit. NEW ENCLOSURE! With the speed and the range to make those long offshore trips quick and comfortable, the Albemarle 280 Express Fisherman is no lightweight. This is a heavily armed fishing machine which can fish with the big boats any day, time or place. And like all boats in the Albemarle line, the 280 has a beautiful clean fiberglass finish with molded-in non-skid surfaces and low maintenance trim, which are easy to maintain and look great for years. The 280 makes overnight trips and long trips offshore comfortable and productive with a highly functional cabin and cockpit.
