DETAILED INFORMATION

Overview

"LADY J" ex Family Affair truly rivals all other vessels in her class on the market today. In 2013 her electronics/video equipment were upgraded, her appliances are all late model, and many major electrical, mechanical and plumbing systems have been upgraded. There are too many improvements to list....W4 on main engines in July 2013, upgraded audio/visual systems throughout the vessel in 2013, new A/C evaporator and condenser, new electronics, new soft goods and overhead panels rehung in 2013, and \$100,000 invested in upgraded stabilizers alone!

Vessel Walkthrough

The Accommodations for "LADY J" includes three staterooms aft and two additional cabins with an office study forward. She is well suited for an owner and two guest couples and also has private quarters for professional crew or additional guests forward. She has an on deck Day Head which is very convenient, country kitchen and sky lounge offering several areas of entertainment. Convenient washer/dryer combinations are located in both the main guest area and the forward crew area. This vessel has an open space, bright interior and a floor plan that flows very well...also great storage space! AFT DECK The aft deck is accessed through a single sliding door from the salon and has a teak sole. There is a bar on the forward bulkhead featuring a U-line refrigerator and stainless Raritan ice machine in custom cabinetry and black granite counter top. There are seats to starboard and port with a flip top table that slides out. Both seating areas have storage beneath the cushions. The aft deck also has a 32" Sunbright outdoor TV, recessed spotlights, speakers, and closed-circuit television camera. On the starboard side forward is the teak and stainless steel staircase leading up 6 steps to the Sun Deck through a hatch. Reverse transom stairs lead down to the swim platform. There is an upgraded 21" sea stair by Marquipt with option angle step platform with hand rail. The boarding stairs may be located to port or starboard at either a forward bulwark door leading to the aft deck/salon door. SALON The Grand Salon has a U-shaped lounge that is appointed with custom sand colored fabrics and coordinating accents in black and gold. Bird's Eye maple wood and lacquered finishes lend to the splendor of this room. Starboard, there is a complete entertainment system; which includes Samsung LED TV, Onkyo TX-NR906B A/V Home Network Receiver, Denon, DVM-745; 5 Disc Progressive Scan DVD Video/CD Changer, Panasonic Blue Ray/DVD player, Episode Amplifier with 14 speaker control for main and upper levels. The salon entertainment center with Apple TV is controlled by a touch screen universal RTI remote. To starboard there is a big couch and settee for three people, granite counter top with storage and mini fridge below. The salon panels were recovered in 2013. FORMAL DINING AREA Forward of the Grand Salon is the Formal Dining Area that features a Bird's Eye maple wood round table with six chairs done in custom fabrics that compliment the entire area. Forward is an additional cabinet with a mirrored bulkhead and glass display case for stemware. GALLEY The Galley is separate and forward of the dining area. Located through the starboard doorway is the Day Head. The

"Country Kitchen" Galley offers all the amenities of home and includes a full size side-by-side Kitchen Aid refrigerator/freezer with ice maker & water on the door, oven, ceramic stovetop, microwave convection oven, trash compactor, dishwasher, Insta-hot water, and 2 TVs mounted in swivel cabinet. The countertops are done in granite and wood type floors add to the beauty of this spacious galley. On the starboard side is the breakfast nook area, which seats 5-6 people. Beneath the cushions as with most on the vessel is additional storage space. Also, on the starboard side are the stairs that lead up to the Helm/Skylounge area. Port and starboard are sliding doors for access to the foredeck or for dock access through bulwark doors on either side. The galley panels were recovered in July 2013. SKYLounge The Skylounge has access from the aft deck or the Galley. "LADY J" offers a full compliment of computers, communications and navigational equipment that combine to make her a state-of-the-art vessel. While captaining you can sit in one of two comfortable Recaro helm chairs. Aft of the Helm Area is a custom desk/cabinet and a flatscreen TV, which was custom fitted into the aft most window to starboard. The TV is a Samsung 40" LCD HD and is accompanied by an upgraded Samsung w/bluetooth Home Theatre System with Blu-ray surround sound, remote speakers, subwoofer. To port is an additional cabinet that is home to a U-line refrigerator (new 2013) and a settee that expands via the press of a button. Also in this cabinet are volume controls to 6 speakers on the Sun Deck and in the Skylounge area on which music from the Grand Salon entertainment center can be played. SUNDECK The Sundeck offers an L-shaped padded seating area and Corian topped table w/covers that seats 4-5 people. One of the many great features of this vessel is the port & starboard davit for launching the 13' Novurania w/50 hp Yamaha 4 stroke stored on a removable cradle. There are port and starboard floodlights and also overhead lights. A ladder accesses the hardtop. MASTER STATEROOM The Master Stateroom boasts a California king-size bed that is tastefully covered with custom-made designer fabrics. Coordinating fabrics adorn the pillows, seating areas and window treatments. A settee is located on the port side. Sony HCD-IS1000 Blu-ray Home Theater System integrated Blu-ray Disc/5.1 ch Surround receiver, Speaker system AM/FM stereo/DVD and subwoofer. His and her armoires, a large walk-in closet with hidden safe for valuables, nightstands and dressing table complete the room. The En-suite Master Head offers a toilet, tub, two showerheads, his/her under hung sinks, gold & chrome faucets, granite countertop, marble floors and a linen closet. VIP STATEROOM - PORT The Port Stateroom is a close mirror of the Starboard stateroom. The bed is a queen size and is covered in custom bedding, fabrics and accessories. The bed base is upholstered in Majilite with birds eye maple and deep drawers for storage. Additional storage can be found under the mattress as well as service access to the Wesmar hydraulic roll stabilizer arm and the digital/fluxgate compasses for navigational systems. In the corner there is a lacquered night stand with wood top and entertainment center concealed behind doors. The entertainment system includes an AM/FM stereo with CD player. A custom TV cabinet is suspended above the night stand with an upgraded Samsung flatscreen. The hanging locker is cedar lined and has a mirror on the exterior of the door. There are two stainless steel portholes, opening ports, and indirect lighting and reading lamps. The En-suite Guest Head offers a toilet, vanity cabinet with under-mount sink, fixtures, Corian countertops, toilet, enclosed shower stall and linen cabinet. VIP STATEROOM - STARBOARD The starboard Guest Stateroom is a close mirror of the Port Stateroom. The bed is a queen size and is covered in custom bedding, fabrics and accessories. The bed base is upholstered in Majilite with bird's eye maple and deep drawers for storage.

Additional storage can be found under the mattress as well as service access to the Wesmar hydraulic roll stabilizer arm. In the corner there is a lacquered night stand with wood top and entertainment center concealed behind doors. The entertainment system includes AM/FM stereo with CD player. A TV cabinet is suspended above the night stand. The hanging locker is cedar lined and has a mirror on the exterior of the door. There are two stainless steel portholes, opening ports, and indirect lighting and reading lamps. The Ensuite Guest Head offers a toilet, vanity cabinet with undermount sink, fixtures, Corian countertops, toilet, enclosed shower stall and linen cabinets. CREW STUDY/LAUNDRY The crew quarters or additional guest quarters are located forward of the galley and down 7 carpeted stairs. At the bottom of the staircase is a lacquer and Bird's Eye maple trimmed desk and drawer storage. To port is the stacked washer/dryer behind a door and on the bulkhead is a Corian countertop with cabinet storage below. There are two portholes above this countertop with valances. Access to freshwater system pumps, filter, accumulator tank, transducers, waste pump, waste tank, shower sump system, bow thruster and a new separate 48 volt battery bank for the bowthruster can be accessed through floor hatches in this area. CAPTAINS CABIN OR EXTRA CABIN Through the Crew Study Area forward is the captain's cabin with a raised double berth, covered with custom bedspread, shams, pillows, and deep drawer storage beneath. On the port side is a counter with cabinets below for storage, along with overhead cabinet storage with lacquer finish. The overhead cabinet is home to the entertainment system which includes a TV, stereo system and upgraded Vizio flatscreen TV. A reading light is at the head of the berth to starboard. There is also a cedar lined hanging locker and bench seat to port. Access to the chain locker is also located in this stateroom. The en-suite head features a stall shower, toilet and a Corian countertop with sink. There is a mirrored medicine cabinet with 2 overhead lights. CREW QUARTERS On the starboard side of the Crew/Study Area is a crew cabin with upper and lower bunks. A corner custom cabinet houses the entertainment system which includes an upgraded Samsung LED TV. The cabin is equipped with climate control and cedar locker. The private head with stall shower with bench seat, marble tile sole and a Corian countertop with sink. There is a mirrored medicine locker and two overhead lights. It is to great advantage to have this second crew cabin with convenient bunks. Many owners choose to use this cabin for crew and the V-berth cabin for Guests.

Main Deck

Anchor chute, stainless steel Anchor windlass, electric, vertical, with chain stopper - Rebuilt 6/2014 Hinged boarding gates in bulwark, port and starboard Bow, spring and stern cleats, stainless steel, custom designed Deck hatch aluminum with new glass installed Fiberglass bulwarks and stainless steel stanchion S.S. steel stanchions Fore deck sunpad with lids accessing storage bins underneath Upgraded anchor to #105 CQR Side storage lockers, port and starboard, with lift-up lids and lights Walk around side decks Deck fills: water and waster removal Fuel fills behind vent grill in hull side, port and starboard Cable television/phone hookups to port and starboard Logo, high polished stainless steel Overhead deck and rain drip gutter Foredeck freshwater washdown Aft deck freshwater washdown Swim platform freshwater shower Hawse pipes with S.S. guide posts Sunbrella upholstered sunpad cushions Dockside
