Salon

The Salon Area is next forward and open to the Galley. Being raised up two steps there is excellent 360 degrees visibility. To starboard is a two seat loveseat upholstered in two tone tan Ultra Leather with generous storage below.

To port is a C shaped settee with matching Ultra Leather. This settee has a bi fold cherry table in front allowing it to serve as the dining area as well. The table is an adjustable height stainless steel pedestal allowing the table to be set at cocktail table height as well as dining height. In the lower position with additional stored cushions the settee can serve as a double berth too!

Also in the Salon are six overhead halogen mini spots, a Bose Surround Sound stereo system with hidden Subwoofer, a CO detector, indirect lighting and a planked wood sole to match that of the Salon.

Plenty of natural light is available from the wrap around windows. The forward windows are covered with Textulene from the exterior and dark stained cherry wood blinds cover the Salon and Galley side windows.

Companionway

There are six carpeted steps leading forward on the starboard side. Each has a step light.

Two outboard cabinet doors access shelved storage including the Raymarine 45 STV Sat antenna control unit, the Glomex Terrestrial TV attenuator, an iPod connection and a 12 volt accessory outlet. Next forward is the main distribution panel with 240 volt, 120 volt and 12 volt electric panels. Below is a storage drawer.

The light from the forward house windows provide ample natural lighting. The carpeted steps can be covered with carpet runners as needed. Hatches in the sole access the central vacuum unit, the hot and cold water manifolds and the shower sumps.

Going aft is the entrance the Master Cabin. Forward is the VIP Cabin and in between is the Forward Head door.

Master Cabin

Entering the Master Stateroom from the forward end the berth is down one step and canta levered off the aft starboard corner. This area is surprisingly roomy. There are four double panels around the aft end of the berth with accent lights above and blue LED lighting behind.

Cherry cabinets to both port and starboard serves as nightstands with flip up panels for storage. LED rope lighting is under the perimeter of the berth. To starboard going forward is a built in Sharp 20" LCD TV and a Bose 321 AM/FM/CD/DVD stereo dedicated to the Master Cabin.

To port is a cabinet with the Splendide 2000 washer/dryer combo facing the berth.

Next forward is a Corian countertop with two drawers and two storage cabinets below and a fixed deadlight above behind cherry blinds.

Further forward is a full size double door hanging locker with cedar lining and auto lights. Each has a drawer within as well as a storage cabinet below. Next forward is the entrance to the private Head. Also in this cabin are digital AC controls, three additional halogen mini spots, a CO detector and a carpeted sole.

Master Head

Forward to port is the private Master Head with a ceramic tile sole and backsplash and a Vacuuflush toilet. The vanity has one storage cabinet below and an under mount stainless steel sink above. A beveled edge mirrored medicine cabinet with three shelves within is above.

There is also a two door storage cabinet above the Head.

The stall shower has a clear Lucite bi fold door and a sidelight. Within the shower is an opening porthole, a covered shelf, a molded seat, a light and a handheld or wall mountable shower fixture.

A large skylight and two overhead halogen mini spots provide plenty of light.

Guest Head

Having two doors, one from the VIP and the other from the centerline Companionway allow this Head to serve as the yacht's Day Head as well.

There is a ceramic tile sole and a Vacuuflush toilet. The vanity has one storage cabinet below and an under mount stainless steel sink above. A beveled edge mirrored medicine cabinet with three shelves within is above.

There is also a storage cuddy above the Head.

The stall shower has a clear Lucite bi fold door and a sidelight. Within the shower is an opening porthole, a covered shelf, a molded seat, a light and a handheld or wall mountable shower

fixture.

VIP Cabin

The VIP Cabin has a raised double berth on centerline with an upholstered headboard and twin reading lights on the forward bulkhead.

Overhead is an opening hatch for ventilation or escape covered with a sliding sun shade or screen.

Cherry cabinetry serves as nightstands both port and starboard. There are also lift up storage cuddies both port and starboard followed by cedar lined auto lit hanging lockers on both sides.

A 15" Sharp Aquos LCD TV is to port facing the berth. On the starboard side is the door to the Head.

A large storage drawer is under the berth facing aft. Wood and carpeted steps give easy access to both sides of the berth.

Also in this cabin are digital AC controls, a CO detector and two fixed deadlights on both the port and starboard sides behind stained cherry blinds. There are five halogen mini spots above as well as step lights below.
