### Accommodations

---

2 staterooms: **Bow cabin with island queen** and guest cabin port side forward of the galley with twin single berths. "Nez Perce" is finished in satin-varnished teak throughout the interior with a high gloss Teak and Holly Sole. The head and galley bulkheads are off-white laminate and counters are Corian. The headliner is off-white with varnished Teak battens. Custom decorator decor abounds in the bedding, window treatments, upholstery etc. (soft goods updated 2009) Located forward, just aft of the chain locker, the master stateroom features an island double bed with built in drawers and storage. This cabin has been enlarged from the standard offering larger hanging lockers and more floor space. The master head is en-suite with a large separate stall shower. Custom mirrors and wall coverings enhance this space. The passageway aft leads to the **study/guest cabin to port** Much thought was given to this custom layout to provide a flexible space more usable by a cruising couple but comfortable when guests arrive. The aft twin bunk was raised to desk height with a chart table compartment and side drawers. When the cushions remove, they stow nicely on the other twin bunk creating a settee. A stool stows beneath to be used with the desk. A unique sliding tambour bulkhead opens this space to the main salon and beyond to the helm deck. This adds appeal to the cabin and floods it with natural light. The cabin has a large hanging locker, drawers, full bulkhead mirror and custom bedding. Across the passageway is the guest/day head with separate stall shower. Further aft lie the salon to starboard and galley to port. The salon has a large L-Settee covered in apple green ultra suede. L setee cushions are hinged to reveal easy access storage lockers. A concealed Teak bulkhead table drops in place as needed leaving the sofa otherwise open and inviting.

**The galley** is well laid for use while underway or in port. Two Sub Zero refrigerators with Teak door panels provide an abundance of cold storage. The 3-burner electric stove with oven will impress even the gourmet chef. Beautiful cabinets and lockers offer abundant storage. **The helm deck** offers another dimension in living space. Air conditioned & heat, with the large L Settee w/ Large drop leaf Teak table. Adjacent to the entertainment center, this air conditioned and heated space becomes an outdoor living room where much leisure time is enjoyed. Cushions are navy

blue ultra suede with red piping.

## Navigation

No expense was spared in this category on "Nez Perce". The Garmin 4208 is mounted on the port side for the navigator/co-pilots enjoyment (and advice). Furuno 12" NAVNet 3D radar/plotter

and Ray E80 plotters with radar and sat weather are located at the helm. All instruments are beautifully flush mounted in the Teak console. Note the upgraded **electronic CAT engine displays mounted in the overhead. These give precise performance data and diagnostic** read outs. The entertainment system is outstanding with the Sharp LCD flat screen TV linked to the satellite receiver concealed on the helm deck. The 19" LCD flat screen w/DVD player is mobile for use in the master or guest cabin and salon. The BOSE Lifestyle 50 stereo system has Acoustimass speaker in three individual zones. This plays AM/FM, CD and TV audio throughout the boat.
