## Overview

---

ALLUHRA was purchased by the present owner in 2001. Since his ownership, he has maintained a complete ships log detailing all maintenance, service and upgrades. She was repowered by the previous owner with new 300 hp Yanmar 6LP-STE diesels. In 6/2013 at 1124 engine hours, both engines had a total "top end" overhaul to the specs of the newer Yanmar 315. ALLURAH is in excellent condition and very well equipped for fishing, economical coastal cruising or comfortable living dockside or at anchor.
