SPECIFICATIONS

Overview

L'Or was custom-built in 1993 and refitted in 2007 and 2010. She has been constantly upgraded and meticulously maintained and her contemporary interior design and well-appointed deck spaces continue to appeal to a broad market. She accommodates eight guests in a contemporary interior with a master suite, double stateroom and two twin cabins. The two twin cabins are situated down an aft staircase in the main saloon while the master suite and VIP stateroom lie forward.

All staterooms have en suite facilities. She has a strong charter record, as she is ideal for family holidays. Twin 1,400hp Baudouin engines give her a cruising speed of 13 knots and a range of 800 nautical miles. She is equipped with zero-speed stabilizers and a Jacuzzi on the flybridge, both unusual in a yacht of this size.
