## Overview

---

### Preliminary Listing

"Sauvignon Blanc" was restored and refit over the past five years by the former owner who is in the marine repair and fabrication business. She was hauled and blocked for over 4 years during the restoration process with attention paid to detail and safety. She was Awlgrippped to the waterline and taken down to the glass below the waterline. During the restoration, new thru hull fittings, valves, and hoses were installed in addition to new generator, wiring, and electronics. Also installed was a new teak platform, new teak bow pulpits, new teal cap railing and the windows were reset and sealed and new stuffing boxes were installed. There was also a new fabricated stainless steel bow railing and a new anodized aluminum flybridge top installed as well. The vessel is in excellent condition. The repairs, installation, and refit was to yacht standing and United States Coast Guard standards.
