# DETAILED INFORMATION

---

## General

---

The Roberts 650 is a full displacement, ballasted trawler built for world cruising. For accommodations, she features three comfortable staterooms- all with en- suite heads. The pilothouse includes a functional helm with electronic controls and Vetus bow and stern thrusters. Additionally, the pilot house has a day-head.

Mechanically she is powered by efficient twin John Deere 200 Hp. diesel engines. Two Northern Lights Generators (20kW and 8kW) provide electricity away from the dock.

Finisterre was delivered in 2006 and purchased by the current owner in 2010. The fly bridge seating has not been installed. This boat has very light use in the Chesapeake Bay.

## Accommodations

---

A few steps down the spiraling stairs from the Pilot House leads to the staterooms. Aft is the full-beam Master with centerline queen. Forward to port is the guest stateroom with 2 twin berths. Opposite is the office with full sized washer and dryer neatly stowed aft. The VIP Stateroom is forward with an Island Queen. All of the staterooms feature a private en suite head, and plenty of storage space.
