SPECIFICATIONS

Overview

STABILIZED!

UJJAY is a well maintained Stabilized 53 Classic Motor Yacht that was purchased by this owner in the Fresh Water of the Great Lakes. These boats have a following for a reason...their unmatched build quality, sensible layout, forgiving handling characteristics and just plain good looks. Being equipped with Naiad Stabilizers, UJJAY gives a phenomenal ride in most any condition, keeping crew and guests smiling.

Currently still on land and shrink wrapped, but will be in the water soon and ready for wonderful Spring Cruising!

STABILIZED!

UJJAY is a well maintained Stabilized 53 Classic Motor Yacht. These boats have a following for a reason...their unmatched build quality, sensible layout, forgiving handling characteristics and just plain good looks. Being equipped with Naiad Stabilizers, UJJAY gives a phenomenal ride in most any condition, keeping crew and guests smiling.

More information to follow shortly!

Vessel Walkthrough

Stepping aboard the 53 Hatteras Motor Yacht UJJAY you find it is very easy to move around the entire vessel via her generous side decks. Going forward is a large cushioned bench with backrest as well as two large dunnage boxes that are commonly used as bow seating.

The aft deck is fully enclosed and furnished with wicker love seats and chairs all with blue cushions. To port is an icemaker and wet bar, while to starboard is the ladder to the flybridge. Double teak doors open to the salon.

The Salon is tastefully done with Wood Levelor Blinds, neutral couch and wooden end tables. The beautiful custom Entertainment center is built into the back of the helm bench seat. Berber carpet is warm on the feet.

Just forward is the lower helm with both port and starboard side decks. Helm seating is provided by a nicely done custom helm bench with folding foot, storage underneath and, as mentioned before, the entertainment cabinet in the back. All the controls and electronics are within easy reach of helmsman and navigator. Parquet flooring is installed in this area.

Going below finds the dinette to starboard and the full service galley on the port side.

Forward is the guest cabin with 2 over/under bunks, plenty of storage, and head with stall shower. The washer and dryer is located in the forward cabin as well.

Aft of the galley takes you between the split engine rooms and to the mid guest cabin, featuring side by side twin berths with plenty of storage as well. Just across the hall is another guest head with stall shower.

Aft is the master cabin with it's own en-suite head and stall shower. Also featuring a large island queen bed, more Levelor wood blinds, and huge closet. A well lit vanity is to port.

Electronics / Navigation
