SPECIFICATIONS

Overview

"Ms Alicia," a 32' semi-custom Jarrett Bay walk-around express, offers a whole new dimension in performance for an open outboard. The smooth running Twin Mercury Verados @ 300 hp provide a 30 knot cruise for a dry and comfortable ride. Engines just had new heavy duty lower units installed. This boat is custom designed with custom built helm and aft seating, a painted awlgrip white finished aluminum Bausch Hardtop, and teak covering boards. Boat also has a custom cover for the entire boat and hull.

DETAILED INFORMATION

Overview

Ms. Alicia, a Jarrett Bay 32 Walkaround-express marks the ultimate marriage of classic Carolina styling and performance with fiberglass. The hull is built of solid fiberglass with coring above the waterline to minimize weight and reduce noise. Closed cell foam stringers, bronze thru-hulls and a proprietary electrical bonding system exemplify Jarrett Bay's focus on structural durability and longevity. Configured with five fix boxes, the 32' Jarrett Bay is a fully equipped offshore fishing vessel, while providing a comfortable interior with full size stand up head and V-berth accommodations.
