DETAILED INFORMATION

Vessel Walkthrough

Access to the vessel is via the transom door which is to port. There is a folding bench just in front of the transom. Moving forward on the port side there is a hatch which holds the generator. Moving forward you will see the fully Isen glass enclosed cockpit. To port there is a large adjustable cushioned bench. To starboard is where you will see the helm station and all the vessel's electronics.

Moving forward and down several steps leads access to the galley. Inside there is a fridge, microwave, and a Kenyon cook top stove sink and storage. To starboard is the head with a Vaccuflush unit. Looking forward there is a V shaped berth, a 19 inch flat screen TV and more storage. All the way aft there is an underneath smaller berth and this is also where the batteries and battery charger is located.
