## Overview

---

This well maintained Riviera 3600 Sports Yacht is in exceptional condition and the owner keen to sell so he can upgrade to a larger yacht. The Riviera 3600 Sport Yacht is a superb example of forward thinking, combining the best of the past with innovative new thinking to forge an exciting future for boating enthusiasts everywhere. This particular example is one of the most pristine boats on our listing and has been maintained in 'as new' condition by a very diligent owner and is a joy to view. While there are similar size/age boats available on the market for less money, this Riviera 3600 is excellent value for money due to the high quality of the build, design and superior ride. The Riviera 3600 Sport Yacht provides the very best in al fresco living with a single-level design combined with the comfort of a fully enclosed living area and helm station. The saloon and galley are on one level, and flow as one space into the cockpit via a large door and wide folding window. The cockpit is equipped with a lounge across the transom and a table that adjusts from compact coffee table size to an extended dining table. Built to the exacting standards that epitomise Riviera, the 3600 Sport Yacht offers the security of a hand-laid fibreglass hull with independent compartments and a watertight collision bulkhead forward. The innovative and highly efficient Frank Mulder designed tunnel hull and underwater exhaust systems, deliver a "big boat" ride and feel. Plenty of upgrade work has been completed recently. A full set of brand new black canvas covers for the cockpit, skylights, outboard engine and fenders were fitted October 2012. There is also brand new white settee covers and foam in the cockpit. The Engines have been well maintained and are serviced regularly. The owner is keen to sell so has a very fair asking price of USD \$265,000 for a quick sale! The owner really loves this boat, but upgrading to a bigger boat is required due to an expanding family.

**Additional Features** • Shaft drive diesels with underwater exhausts • Bow Thruster for easy berthing • Fully enclosed hardtop with single level entertainment platform • New full set of canvas in October 2012. Included is a new Cockpit Camper Canvas, Skylight Hatch Covers, Windlass Cover, Fender Covers and Cover for the Tender's Outboard Engine. • Master stateroom entertainment system with Clarion VS755 and Sony Bravia KLV-B Series LCD TV • Integrated swim platform with teak inlay • 2 cabin, 1 bathroom layout • Rear stainless steel saloon bulkhead with tinted glass • Amtico companionway steps and saloon floor • Soft-touch vinyl automotive style helm • Folding high-low cockpit table • Black sun shade mesh covers for all glazed areas with additional sunbrella covers for glazing, windlass and hatches • Award winning Riviera craftsmanship from the largest pleasure boat builder in the Southern Hemisphere Performance • 1,900 RPM gives a Slow Cruise of approx 9 knots • 2,600 RPM gives a Medium Cruise of approx 19 knots • 3,100 RPM gives a Fast Cruise of approx 25 knots • FOT gives a top speed of approx 29 knots
