## Overview

---

DRAGONFLY is a cold moulded mahogany boat with a traditional canoe stern. She was built in Bodrum by a well-known builder for the Turkish Gulet regattas, in which she has had much past success. She has a clear and fresh interior, that reflects the bright Aegean sea where she was conceived. The decks are well designed and her aft is covered with a full Bimini that offers shade and comfort for all on board.

Refit and Works:

November 2014: complete hull and superstructure refurbishment by original builder.

October 2015: new mast fitted, woodwork to be revarnished.
