SPECIFICATIONS

Overview

The Sea Ray 550 Sedan Bridge combines the performance and styling of a Sedan Bridge with the spacious and elegant live aboard accommodations of a 55' luxury yacht. This yacht has been completely updated, including new interior, exterior, and electronics! The 22' flybridge offers seating for 10-12 with new Strataglass (2014) enclosure, new Raymarine digital HD color radar (2014) networked into dual Raymarine E130 wide multi-function displays (2013). Other new electronics (2013/2014) are the extended WiFi with iNav Hub, iCon VHF with new hailer/horn, satellite weather radio, digital depth finder and new transducers. The flooring in the flybridge is covered with new marine weave synthetic snap-in covering (2013). All bridge seating has been reupholstered in 2013/2014 and includes an adjustable captain's chair, and companion helm seat, bench seating front and rear of the helms chairs. The built in fiberglass stairway provides access to the cockpit via (2013) teak simulated PlasDeck covered steps. The cockpit is covered with new marine weave synthetic snap-in coverings (2013). In the cockpit guests can relax in aft corner banquettes reupholstered in 2013 or venture out to the swim platform covered with PlasDeck decking (2013). The cockpit and flybridge have stunning new (2014) LED tricolor (white dimming, blue, and red) lighting that makes this boat a beauty in the slip at night and easy to command at sea at night. From the cockpit forward, a large glass sliding door leads to the cabin featuring new hardwood floors (2014) in the saloon, dinette, and galley areas. Directly ahead are the three staterooms with new carpeting and bedding (2013). The ensuite master head and the guest head have new porcelain flooring (2014). In the saloon to port is substantial storage and a new (2013) comfortable recliner chair port and starboard a 10' wraparound sofa reupholstered (2013) provides seating for a large party of guests. The galley has new (2014) Uline refrigerator/freezer and new backsplash (2014).
