Deck Material: Fiberglass

Hull Configuration: Deep Vee

Hull Color: Light Blue

Engine Information

Engines: 3

Manufacturer: Suzuki

Model: DF250

Engine Type: Outboard

Fuel Type: Gas

DETAILED INFORMATION

Boat Highlights

A high end fishing machine, stylish, fast, and loaded with amenities. Built on a deep-V hull using the company's proprietary RAMCAP construction process, the 350 is virtually unsinkable thanks to the urethane foam injected between the hull and deck. She's also innovative, the combined glass windshield/T-top has become an Everglade's trademark. Standard features include double helm seats with flip-up bolsters, electric high-low bow table, forward bow deck cushions, full coaming pad cushions, three seats on forward console, foldaway stern seating, two livewells, forward fish box, gunwale storage compartments, and rod storage compartments. A clever foldaway seat on the rear of the bait well doubles as fighting chair. The 350's large console head compartment includes a small quarter berth plus a sink, shower, and storage drawers. An anchor hatch at the bow provides access to the windlass, control switches, and a washdown hose. The powder-coated windshield frames and bow rails are a classy touch. Top Gun crank out outrigger bases with telescoping outriggers and over 20 rod holders. Owner had the stock push switches and wiring all professionally replaced with a new power panel located inside the console, new dash switches, (4) AGM batteries, including (4) blue LED underwater lights, blue LED under gunwale lighting. This 350 CC has red and white LED deck and under T-Top lighting, bilge lighting, livewell lighting, forward and aft flood lights, upper dock lights and dash panel lighting.
