DETAILED INFORMATION

Vessel Walkthrough

Without a doubt the best Broward under 100' anywhere. Stunning interior combines the perfect blend of comfort and style. The professionally decorated interior creates a very elegant yet understated feel. The main salon and galley are flooded with natural light and with the Birdseye Maple interior, one gets the sense of an inviting atmosphere from the minute you step aboard. This custom Fort Lauderdale built Broward features a generous full beam salon giving her the feeling of a much larger yacht. The new (2012) country kitchen/dining salon has seating for eight along with a custom buffet housing china, crystal and stemware. Storage is also under all seating. The totally new (2012) galley features new cabinets and all appliances along with new granite countertops, custom wall covering and bamboo wood flooring. Midship, there is a beautifully designed day head with navy lacquered walls and a handsome mahogany vanity (2013). The completely redecorated full beam salon living room contains a new (2012) wine cooler, and bottle storage. In the main salon there is "lift-up" 40" Bravia TV and complete entertainment center, with Bose surround sound. The large aft deck has a new (2012) mahogany bar with refrigerator and a new mahogany 7' table together with mahogany chairs and bench, seating for 8. This vessel accommodates seven in three comfortable staterooms. The master stateroom, accessed through a private stairwell, features his and her baths with Jacuzzi tub and a king size bed. The two guest staterooms feature queen and twin berths, one with Pullman bed. Each guest stateroom has a private bath and entertainment center. The crew area is all the way forward and has a seating area and two crew stations, with a share a head with stall shower. The spacious flybridge features custom seating along with centerline Jacuzzi hot tub (rebuilt 2012), refrigerator, new (2012) ice maker and new (2012) grill. A boat deck provides a new June 2014 14'6" Apex Rib with new 70 hp Yamaha outboard and a new Nautical Structures davit installed in 2008. "Revelry" has beautiful classic lines and the perfect blend of a proper yacht with the right investment to make her the best value available in this size range. A true must see!
