SPECIFICATIONS

Overview

Kral Boats & Yachts, a high quality Turkish builder, is known for their meticulous craftsmanship. This classically-styled 2008 Speedster 580 would look equally at home off of the south France or on a beautiful lake. She is a fine example of Kral at its best. This Kral was lightly used, as she briefly served as the tender for a 117' motor yacht before being placed in premium dry storage. A beautiful addition to any dock, she would make for an elegant Runabout for cruising. This Speedster 580, named for her length of 5.8 meters, boasts a hull with 8 layers of hand-laid fiberglass, a bow made of rich Sapelli Mahogany, and a cockpit draped in marine-grade leather. Re-powered in 2009 with a Volvo Penta, she has less than 60 hours on her engine and is ready to add many more. Looking for an owner with discerning taste. Call for a showing today.
