Description

This Yacht has incorporated many of the innovative features and cutting-edge design concepts that have been traits of Yachts much larger than she. Once again, the feel of being onboard a large yacht is evident throughout. The huge cockpit, for example, is big enough to accommodate free-standing furniture, yet still has plenty of room spare for moving around and socialising; notice too, the atmospheric mood lighting at deck level and in the flybridge overhang, which creates a fabulous ambience when the evening draws in.
