Vessel Walkthrough

Entering the main cabin via the companionway stairs, immediately to starboard is home to the large well appointed galley. Aposing the galley to port is a well laid out navigation table with electronics, A/C and D/C breakers, and storage below. Forward of the galley is a large convertible dinette with luxurious Duratouch upholstery throughout. The master stateroom is all the way forward with a private head and separate shower stall. The guest stateroom is located aft of the navigation station with it's own air conditioning, and entrance to the second head compartment. This Beneteau 423 is hull #76.

Salon

The expansive salon is very open and well lit. Several opening hatches, port lights, and skylights give the cabin a wide open feel. All hatches and skylights have retractable sun covers to minimize heat from the sun. The large dinette can easily seat 6, and converts to an additional double berth. There is an additional single settee to port, apposing the dinette. The white duratouch upholstery gives the vessel a very sophisticated and classic look.
