Overview

This 1988 Mako 261 Special Edition Center Console is custom made to a length of 29 feet with a tower for the serious fisherman. Both Mercury Optimax 225hp engines are almost new with less than 50hrs on them. This Mako 261 will cruise in the mid 30's with maximum speed in the mid 50's! The boat is lift kept, and the hull doesn't have a scratch on it. The helm station has a brand new full enclosure that has never been used. There is also a white dodger high enough to walk under that covers the forward deck for shade or sleeping. This meticulous owner has kept this Mako 261 in excellent overall condition, and she is loaded with the following options and upgrades:
