## VESSEL WALKTHROUGH

---

### INTRO

When introduced in 2004, the 40 Cabo redefined what a mid size sport fishing boat should be. A sharp entry, hard spray chine, and huge bow flare provide a soft dry head sea ride. The huge beam, variable dead rise, and shallow draft create an outstanding beam and following sea boat. This hull is designed for maximum performance and maximum efficiency as well. She will out maneuver anything in her class and handle at speed like a center console. I have sea trialed her head to head against all competition and there is nothing even close to the ride of the 40 Cabo. In my opinion there is not a better riding 40 footer on the planet.

The evolution of this model has incorporated the Zeus pod drives for even greater levels of speed, maneuverability, efficiency, and dynamic positioning.

### WALKTHROUGH

The cockpit of the 40 cabo is all business. Her 15'9" beam makes for a spacious well laid out cockpit. Against the forward bulk head there is an optional deep bait freezer, a sink/bait prep area and engine room access. She has plenty of room for tackle storage with multiple drawers for lures, tools or terminal tackle. There is a large transom livewell also. She is extremely well suited to the fishing styles that predominate south Florida. In the deck there are two macerated fish boxes and access hatch to the pod driven propulsion system.

Moving inside, she has both a versatile and extremely functional 2 stateroom 2 head layout. One of the heads is full service with access from either stateroom and the other is a day head just forward of the galley accessed from the companionway. The salon is large with an L shaped leather sofa to port facing a slightly raised dinette with a custom teak high gloss table. The galley is a step down to port. It offers slight separation by way of a serving bar style counter top. This open arrangement enhances the social feel between the salon and galley. The galley boasts everything a 40' shipboard gourmet could possibly need:

- 2 Burner electric cooktop
- Side by side refrigerator freezer
- Microwave
- Deep sink
- Corian counter tops
- Solid teak cabinetry w/ ample storage
- Massive under galley sole climb in storage area

The master stateroom is in the forepeak of the vessel and features:

- Island queen berth

- Dual cedar lined hanging locker
- Under berth storage
- Rod storage lockers
- Flat screen tv
- Climate controls
- Over head hatch for natural light

The second stateroom is located to port and can easily sleep three thanks to her versatility. She has a large athwartships berth for your VIP, couple, crew, kids or whom ever. Above that there is a unique slide out top bunk for a third person if ever necessary.

### **OPTIONS**

- 600 hp Cummins engines with Zeus pod drives
- Skyhook dynamic positioning system
- Bait Tank Window
- Ice Maker in Salon Cabinet
- Cockpit Freezer 110v
- Stereo, Flybridge
- Distribution Panel for Electronics
- Teak in lieu of Carpet
- Hand Held Shower in Cockpit
- Panda 15 Generator

### **PIPEWELDERS 1/2 TOWER PACKAGE**

- 1/2 Tower, Molded Top, Single Rail
- Rod Holders (6)
- Radar Box on Hardtop
- 3-Sided Strataglass Curtain Enclosure U-Zipper cut-outs
- Teaser Reel Bracket and Sliding Door in Hardtop
- 2-Teaser Reels - US9-Super 24 Volt
- Horns
- Anchor Run Lights
- 2-Spreader Outrigger Bridge Release, Aft Laydown Rigging Kit and Center Rigger
- Outrigger Auto-Lock Assembly
- LedNav Molded Red/Green and Stern Lights
- Flood Light,
- Stand-Off Antenna
- Bridge Rail, Double Aft, 3-sides

### **ELECTRONICS PACKAGE**

- Twin Garmin 7215 touch screens with GPS, CP, RD and FF features.
- ICOM VHF
- Furuno RD30 Digital Depth/Temp Display

- 16' VHF Antenna
- Furuno 235DHT-LMSE Transducer

## STANDARD EQUIPMENT

### Hull

- Boot striping
- Molded fiberglass construction with superior ISO/NPG
- Bottom paint, complete preparation - 2 coats epoxy,
- Gelcoat finish and premium vinylester resins throughout
- 2 coats anti-fouling paint, black standard
- Bi-axial stitched fabric reinforcement. Solid fiberglass bottom construction. Core construction from chine to sheer
- Premium quality molded-in white gelcoat finish
- Stainless steel rub strip on face of white high density PVC rub rail
- Trim tabs, fully recessed

### Deck

- Bow chocks, 6" stainless steel
- Premium quality molded-in white gelcoat finish
- Bow cleats, 12" stainless steel
- Recessed custom stainless steel anchor roller assembly
- Bow pulpit, integral molded fiberglass
- Spring line cleats, 12" stainless steel
- Custom deck rails, aluminum
- Stern cleats, 12" stainless steel
- Molded fiberglass using polyester resin, bi-axial stitched fabric reinforcement and core construction
- Windlass, heavy duty DC electric, for rope and chain remote from bridge and deck switches
- Molded-in non-skid surface

### COCKPIT

- Aluminum reinforcing plate installed for mounting fighting chair
- Bait prep center, includes sink, rigging board and tackle storage, fitted with custom lid, full length stainless steel piano hinge and custom latch, gas spring actuator hose and pistol grip nozzle supplied
- Ice box, fitted with custom gasketed lid, gas spring actuator, full length stainless steel piano hinge and custom latch
- Rod-gaff racks, port and starboard
- Bait tank, 48 gallons, molded into transom
- Rod holders (5)
- Cockpit coaming padding, high density foam, white vinyl covered

- Self bailing cockpit scuppers
- Courtesy lighting under gunwales and helm deck overhang
- Transom door with top gate, extreme duty polished stainless steel hardware
- Fish boxes, large capacity, insulated with macerator pumpout system
- Hatches, lazarette and fish boxes (2), heavy duty with “O” ring seals, drains, gutters and full length, stainless steel piano hinges
- Washdown, fresh water, Washdown, saltwater

## FLYBRIDGE

- Bench seat forward of console with cushions, storage and insulated drink box
- Fire and bilge water level alarms, audible
- Forward storage lockers
- Bridge ladder with safety rails to match deck rails, custom welded with 5 rocket launchers
- Large electronics console, custom molded
- Compass with light, flush mounted
- Pedestal mounted helm and companion chairs, adjustable
- Complete custom engine instrument panel with audible and visual warning system
- Stainless steel helm wheel
- Storage cabinet at helm
- Custom switch panels

## MECHANICAL

- Bilge pumps, four automatic/manual and one automatic
- Fresh water hose bib
- Bonding system with transom zinc plate
- Fresh water pump, AC, with backup DC pump
- Braided hose sleeves on all nylon hydraulic lines
- High water bilge alarms (3)
- Bright white bilge and engine room, gelcoat
- Holding tank, with warning lights, macerator and dockside discharge
- Bronze high speed water intake scoops with integral sea water strainers
- Metal braided fire-retardant fuel lines
- Double constant torque stainless steel clamps on all engine exhaust hoses
- Oil change system, main engines, generator and transmission
- Propeller shafts, high strength stainless steel, 2.5 inch diameter, double taper, couplers stainless steel
- Propellers, 4 blade nibral
- Double hose clamps on all hose fittings where possible,
- Electronic controls with trolling valves, engine synchronizer
- Power steering
- Rudders, high strength bronze, installed with high-load bearings insuring low friction and precise control

- Emergency bilge pump diverter valve on one engine
- Engine alarm system
- Sea cocks, UL approved for marine application, bronze,
- Engine room blowers (2) 24 DC
- Fire extinguishing system, automatic
- Stuffing boxes, drip less lip seal type
- Fresh water cooling on main engines
- Water heater, stainless steel, AC, 11 gallon

## **ELECTRICAL**

- 10 KW freshwater-cooled diesel generator with sea water strainer, remote start and gauge panel, water lift muffler, safety shut down system, sound enclosure
- Bonding system
- Custom DC electrical distribution panel with battery voltage and load meter
- 50' shore power cord with retractable Glendinning Cord Master, 220V, 50 amp
- Electronic supply at helm, 12 VDC at 50 amps
- Engine room lights, DC
- Battery charger, 50 amp
- Flat screen TV in main cabin
- Battery on/off switches, vapor proof
- Ground fault circuit interrupter receptacles throughout boat
- Bose Lifestyle 38 entertainment center AM/FM/CD/DVD surround sound stereo system, Cable capable television with cable connection
- Horn, dual air trumpet
- Interior lighting, DC
- Navigation lights, International
- Custom AC electrical distribution panel with line voltage and load meter, reverse polarity light
- Telephone shore connection with one outlet, salon

## **MAIN CABIN**

- AC duplex outlet/GFI protected flat screen TV
- Access hatch to galley to below deck equipment space
- Indirect lighting, DC
- Air conditioning/heat, dual zone
- Interior wood, teak, superbly joined and finished in satin varnish
- Deep pile carpet
- Lighting, DC
- Designer interiors, high quality selection available
- Positive latches used on cabinet doors and drawers
- Upgraded ultra nylon fabrics on salon settee

## **GALLEY**

- AC duplex outlet/GFI protected
- Large under galley storage compartment
- Ceramic cook top, two burner, recessed with Corian cover
- Microwave/convection oven
- Corian counter top (standard color - Fossil), with custom Corian sea rails
- Positive latches used on cabinet doors and drawers
- Side by side refrigerator/freezer, AC/DC
- Counter top lighting - recessed halogen (4)
- Storage compartments and drawers throughout

## **FORWARD STATEROOM**

- AC duplex outlet/GFI protected
- Positive latches used on cabinet doors and drawers
- Air conditioning/heating
- Recessed halogen lights
- Access to anchor rope/chain locker
- Storage compartments and large drawers below bed
- Double bed, island style with 5" mattress, coverlets
- TV, 15" flat screen, AC, built in with cable hook up
- Foredeck hatch with retractable shade
- Two rod storage lockers with horizontal rod racks
- Hanging locker, cedar lined, port and starboard side

## **MASTER HEAD COMPARTMENT**

- AC duplex outlet/GFI protected
- Positive latches used on cabinet doors and drawers
- Corian counter top
- Recessed halogen lighting, DC
- Custom vanity
- Separate stall shower with automatic shower sump pump
- Framed mirror
- Toiletry storage cabinet, Corian framed with sliding mirror doors
- Head, Sealand Vacuflush, electric

## **AFT GUEST STATEROOM**

- Adjoining head with stall shower
- Pillow shams
- Bedspread, double berth
- Reading lights, DC
- Custom carpeting
- Single slide out berth
- Hanging locker, cedar lined

- Storage under berth
- Overhead light, DC
- Vinyl headliner

## HEAD COMPARTMENT/GUEST

- AC duplex outlet/GFI protected
- Head, Sealand Vacuflush, electric
- Corian counter top
- Positive latches used on cabinet doors and drawers
- Custom vanity
- Recessed halogen lighting, DC
- Framed mirror
- Toiletry storage cabinet, Corian framed with sliding mirror doors
