- **Dash Mounted Trim Tab Control**

Manufacturer Provided Description

Built on a high-performance hull, the 33-T has a 9-foot-8-inch beam and a 34-foot-5-inch LOA. This commanding vessel handles either twin or triple-engine applications. The unique layout and design of the larger, wider console features an integrated console seat forward and distinctive options, which include a trend-setting ?leaning post and livewell?combination. Contender?s traditional, twin above deck livewells come standard on this model, while optional below-deck livewells make it possible to house a total of four wells on this performance craft. Additional enhancements include finished hatches using a two-part mold with finished gel coat surfacing.
