Winches:

Cockpit – 2 x Lewmar #54 two speed ST

Mast – 2 x Lewmar # 46 Two speed ST

Hardtop – 1 Lewmar# 14 single speed ST

Spring loaded solid boom-vang

Chain plates – Stainless Steel through bolted to hull

Construction

Hull is composite GRP (Fiberglass – Composite Glass Reinforced Plastic) with balsa coring above waterline. Isophthalic gelcoat is used to help prevent osmosis.

Framing – Fiberglass grid units, giving longitudinal and transverse strength to the lower hull, bonded to the bilge areas with fiberglass tabbing. Cored fiberglass and plywood bulkheads are also bonded to the hull with fiberglass tabbing

Deck & Superstructure: Composite GRP using balsa core. There is a molded non-skid surface, An integrated cockpit hardtop Bimini supports the mainsail track/ a small fiberglass hardtop Bimini covers the helm position and is fitted with a clear plastic spray shield and side panels

HULL TO deck JOINT: The deck is chemically bonded and mechanically fastened between an internally flanged hull and anodized aluminum toe rail. The bridge deck is laminated to the hulls with fiberglass.

Bulkheads: Composite fiberglass using marine plywood or balsa core

Keels: Molded fiberglass - Sacrificial – bolted on to keel stubs – designed for in the water replacement

Rudders: Fiberglass spade rudders with SS rudder stock

Sterns: Reverse transoms with molded swim platform and steps -

ADDITIONAL EQUIPMENT

Personal flotation devices

Horse shoe life ring w/ MOB light

Horn

Flares

Life raft – 12 person Pastime Transocean Type 1/ Group A in fiberglass case

Fire extinguishers

BUILDERS REMARKS

This Leopard 46 is the product of over 500 catamarans built by Robertson and Caine. No other mid forty foot catamaran matches the interior space, walk around beds, and separate stall showers with excellent sailing performance and ease of maintenance. Equipped with twin 56 hp Yanmar engines for strong and reliable performance under power. Outstanding sailing performance with ease of control and unobstructed view from the raised helm station which has there steps from cockpit and side deck for easy access. The aft deck bench seat that becomes a swim/dinghy platform is another unique feature. Generator, air conditioning and lots of storage space rounds up a great package.

BROKER COMMENTS

Extremely spacious Catamaran with Huge cockpit and loads of deck space. Her 4 cabins allow for cruising with family or friends - each with its own private head and shower.

She is designed to be easy to handle, and has been well maintained

Currently in the Caribbean - she will be enroute to Ft Lauderdale shortly if not sold

Owner's personal effects are excluded from the sale

Exclusions

Owner's personal belongings.
