Tankage:		
Diesel – 98 gal total in (3) tanks	370.9 liters	
Water - 115 gal total in (5) tanks	435.3 liters	
Holding - 6 gal fiberglass tank	22.71 liters	

ACCOMODATIONS

Sleeps 5 (2 in aft queen, 2 berths in Salon, 1 in Pilot House)

Single head, single shower

Salon: 2 facing settees convert to 2 single berths

Pilot House – 1 full length berth (excellent sea berth for on watch crew)

AFT CABIN:

Private aft cabin contains centerline queen berth

Separate head and shower - Shower is private to Aft cabin, Head has private entrance to aft cabin and second entrance from companionway outside of cabin (can be used by guests and not disturb people sleeping in Aft Cabin – or used as day head)

Memory foam mattress (2014)

En-suite head and shower (separate shower stall)

Hanging locker

Desk/Vanity table to Port

Storage in Port and Starbd lockers and drawers

Large hanging locker in companionway

2 opening bronze portholes

Overhead opening hatch

2 fixed Transom ports in Aft stateroom

HEAD & SHOWER:

Opening bronze porthole in shower

SS sink w/marble top and mirrored medicine cabinet

Head accessible from companionway and aft stateroom

New toilet (March 2014)

Shower – 1 piece fiberglass w/teak grate seat

Separate shower sump for gray water with overboard Rule 800 pump

VESSEL WALK THROUGH

Vessel can be entered from opening sections in rail Port, Starbd, or Aft. Decks are wide and easy to walk around with large deck space fore and aft.

Pilot house is entered from Port side through opening door. The Pilot House has a warm feel with stained interior woodwork and white overhead slatted ceiling. There are 3 opening windows, 2 opening ports plus doors to the side and aft for excellent ventilation – large windows allow for 360 degree visibility from the inside helm, or seating areas.

A stairway leads down to the Salon/Galley – Galley is immediately to Port as you descend into the Salon with the Salon forward. There are numerous storage areas and a large Boatswain's locker forward of the Salon, and access to the chain locker forward of the Boatswain's locker.

Moving Aft along the Starbd Companionway are several large lockers for storage and also a hanging locker. There is access to the head (which is amidships) through the companionway

and this door allows for the head to be used as a day head. There are also 3 opening doors to the engine room

The master cabin is full beam and spans the entire aft section of the vessel. It is large and spacious with opening ports and overhead hatch. A queen berth is on the centerline with storage lockers to both sides. A separate stall shower is accessed from the aft cabin to Port side.

A parquet wood floor extends throughout the lower level of the boat and the side woodwork is finished in a combination of varnished woodwork and white painted uppers and overheads in the Classic Hereshoff style

SALON and GALLEY

Salon: Salon is very traditional and finished in the Classic Hereshoff style. There is finished woodwork and painted white overheads and hull woodwork. A large overhead butterfly hatch provides light and ventilation, plus 4 opening bronze port holes. Forward of the Salon is a large Boatswain's locker for storage, including sliding drawers, and access to the chain locker through this compartment.

Deep tufted seats are to Port and Starbd, with a wood table between for inside dining – and 23" by 48" fixed teak table w/fiddles and brass column base for inside dining (seats 4). There are numerous storage lockers lining both sides of the hull, and cabinets – Forward bulkhead serves as a storage wall for books etc. Built in end tables to Port & Starbd w/ marble tops and brass fiddles

There are beautiful backlit cut leaded glass doors on liquor and dish storage cabinets with 3 drawers and 4 cabinet doors beneath, which add to the period decor – Also, bookshelves Port & Starbd w/indirect lighting.

Lighted desk/work bench with storage lockers above in the starbd companionway - Engine access doors opposite. (3 opening or removable doors)

Teak Parquet floor throughout with 10 sole hatches for access to bilge & storage areas

Wet hanging locker – Starbd amidships

Water storage tanks under Salon settees and under Galley floor

Overhead lights

Emergency tiller stored behind Salon Settee

Galley: the Galley is immediately to Port as you descend the stairs from the Pilot House. There is ample work area with marble counter tops and retractable cutting board

Spectra water maker – mounted under sink

SS Double sink with pressurized water plus Fresh and salt water foot pumps

Separate Isotherm refrigerator and Waeco freezer – over and under- front opening both run on AC or DC power (refrigerator new Aug 2014)

Gimbaled Force 10 3 burner stove & oven - LPG shut off switch – 2 propane tanks in side deck locker

6 storage cabinets above counter top – 5 drawers in Galley plus counter access to large storage area in corners

Salt and fresh water foot pumps

(5) water tanks with manifold system

CONSTRUCTION:

CONSTRUCTION: Hull is solid hand laminated fiberglass w/alternating layers of mat & roving. Decks are sandwich-core construction with end grain balsa core for strength and insulation. Original teak decking has been removed – the deck sealed, and fiberglassed over and non-skid painted for durability. Teak overlay has been left on Carriage deck to carry the nostalgic theme – this deck has been serviced with new screws set in epoxy, and re-bunged (Aug 2014).

Chain plates and metal backing plates for cleats and winches are glassed in

Boat is all fiberglass construction with wood slating on Pilot House for the period theme – Pilot house roof is fiberglass

All through hulls are lever type bronze seacocks with wire bonding

There is a full teak rubrail on both sides with bronze face plate.

Bottom was painted prepped March 2014 -cleaned, filled, then 2 coats of epoxy/Interlux 2000 barrier coat, and 2 coats Petit 60 ablative bottom paint

ADDITIONAL EQUIPMENT

Lifesling

Fire extinguishers

Lines and fenders

Ditch bag

Life vests

AC portable fans

BROKER COMMENTS

This is a one of a kind yacht with a classic theme and excellent Blue Water sailing ability. She is an ideal live aboard vessel or passage maker, and easily sailed by limited crew.

She has just completed a passage from the Caribbean to Ft. Lauderdale with only her husband and wife owners aboard.

She turns heads wherever she ventures – be sure to see her immediately.

Owner's Personal effects are excluded from the sale

Exclusions

Owner's personal belongings.

Disclaimer

The Company offers the details of this vessel or yacht in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his representatives, agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel or yacht is offered subject to prior sale, price change, or withdrawal without notice.
