# DETAILED INFORMATION

---

## OVERVIEW

---

The beautifully styled, luxuriously appointed and solidly built 32' Open TTS is for the demanding customer who is quality-minded and performance oriented.

This popular model features cockpit wet bar with refrigerator, power helm seat, and a Custom Pipewelder's Marlin Tower with 3-sided enclosure and a 36 gallon transom livewell. A full complement of Furuno electronics include autopilot and 6kw open array antenna for radar. The cabin is big on comfort, sleeping five with 15" flat screen TV and DVD player, a full galley, vacuflush head with holding tank and many other extras.

A Tiara throughout, the vessel is a perfect example of quality everywhere you look and like all her sisterships, will really hold her value. An outstanding fishing machine, this offering is styled more for fishing than cruising although the boat handles both very well. With low hours and in excellent condition, this is a boat that will not last long! This boat is aggressively priced with an owner that will consider any and all offers.

## FEATURES

Custom Aqua Mist color on Tower as well as recessed Blue/Red LED lighting
