Hull Material: Fiberglass

Engine Information

Engines: 1

Manufacturer: Yanmar

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Accommodations

The interior of this boat has an overall feeling of space, light and airiness. Offering 6'5" headroom, the main cabin features hand-rubbed teak, elegant fabrics throughout and a comfortable L-shaped dinette area to port, large enough to handle the crew but intimate enough for two people. Entertaining is gracious in the open salon which incorporates a TV, Stereo. Twin, comfortable, seats and a convertible cocktail table are located to starboard, just forward of the large Nav-Station which contains plenty of space for electronics, charts and navigation gear. Storage is plentiful throughout as is the natural light and ventilation. Forward, is a sumptuous full-width Master Cabin with a comfortable queen-size, island, berth with spring mattress and separate ensuite head, vanity sink and separate full shower. The innovative forward head arrangement splits the head and shower so both can be used at the same time. Twin, cedar-lined hanging lockers, drawers and shelves ensure ample storage in this area. A large U-shaped Galley is located immediately aft of the dinette, to port, and contains large dual-opening freezer and refrigerator, a Force 10 stove and oven, plus a microwave that will make dinners a joy to make and a centrally located island sink to make clean-up a snap. Storage for everything is close to hand, including a large recessed trash receptacle. Aft, are two comfortable guest cabins with separate head and shower to starboard, immediately behind the Nav-Station.

Galley

- Corian counter-tops throughout
- Force 10, 3-burner stove with oven
- Refrigerator and freezer with holding plates, top-loaded.
- Microwave oven
- Double stainless steel sinks (on island).
