Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Description

With the design of “ANATOMIC 42” a brand new Vision of a yacht exterior is born. The all aluminium, semi- displacement motor yacht has an aggressive, yet, elegant Exterior with harmonised shapes and clear lines with a sporty and fast character. Straight polished stainless steel elements all along the side windows emphasis the fast and slim attitude of the yacht and lead into the very dynamic shape of the bow.

“ANATOMIC 42” offers generous space on a free flow fly bridge layout with a lounge area, a long bar, a dining table and a whirlpool with a spacious sunbathing area.

The Interior Layout strictly divides the service and crew area from the private Owner and Guest Section. One Main Staircase connects all decks with a beautiful atmosphere by the use of daylight from a roof-top window.

A fullbeam Main Deck encompasses the MainSalon with separate Dining Area. An Owner Stateroom with Spa Area, an extra OwnersStudy and a lot of light and an astonishing view to the outside because of the unique window design. Two hydraulically operated foldable balconies create a beautiful connection to the outside and create a very airy ambiance and provides a high degree of privacy.

The Spa Area is furnished with Steam Sauna and a central whirlpool, the vanity has a window above, leading in natural daylight. The Galley and Crew mess located on the Main Deck guarantee perfect service for all levels. The Lower Deck encompasses four equal guest cabins with generous heads, all equipped with double sinks. The Crew accommodation is located in the bow. Also here the day light is reaching the cabins via extensive windows and supports the feeling of space.

The theme of the interior concept is space and light, providing a luxury residence on board a yacht which is easy to operate and maintain.

Such details as a large Pilothouse with a separate radio room, a spacious aft garage to house the wner’s tender and jet skis, with a separate crew tender housed in the bow section, make the “ANATOMIC 42” a very “crew friendly” yacht.

“ANATOMIC 42” comes in two versions, the “open version” offers generous space on a

freeflow flybridge layout with a lounge area, a long bar, a dining table and a whirlpool with a spacious sunbathing area.

The “targa version” provides a large sky salon with a generous bar and a spacious lounge area, the highlight is the sliding glass roof which gives the opportunity to lounge under the stars whilst sheltered from the elements.
