SPECIFICATIONS

Overview

The Venture stands above the rest with her sleek traditional lines and state of the art construction. The solid fiberglass hull bottom is reinforced with Kevlar while the vacuum-bagged hull sides are cored with PVC foam; and the transom is cored with a high-strength ceramic compound. Diamond pattern non-skid and gunwales with superior fit and finish using flush mounted stainless steel hinges. Fishing amenities include a huge 55 gallon livewell, two insulated fish boxes forward, bait prep center with fresh and salt water washdowns, and a transom door and gate. On each side of the console are in-deck storage boxes and a massive storage area with a overboard drain is in the deck behind the leaning post. The walk-in console includes a standup head with shower and sink. All pumps and mechanical equipment are mounted in eye sight and within easy reach for maintenance.
