DETAILED INFORMATION

Description

Commander 75 offers spacious layouts for the inside and outside decks and special features like a terrace on the sea, private guest balconies are combined with the highest technical and safety standard giving the owner the guarantee for the perfect accommodation for his guests and himself. As a custom build concept “Commander” offers a lot of volume and opportunities for individual wishes and eclectic features.

The Interior-Layouts on Commander strictly divide the service and crew area from the private Owner- and Guest-Section and convinces with clever and fancy Layouts and a new definition of living, extensive and open spaces imply the feeling of luxury and individuality.

An elevator straight through all decks, from the wine-cellar in the 2. Lower Deck to the Helideck is the high-end of comfort. The further feature is a generous “Art Lobby” with Main-Staircase on Main Deck providing an extraordinary welcome area for bad weather conditions.

All technical facilities like a Walkaround, Wing Controls or Viewpoint Platform guarantee a save navigation of this little giant.

Enough space for human living is dedicated to the 16 crew members, with proper bathrooms and storage possibilities for privacy. The Captain and the Chief-Engineer are accommodated on the Upper deck, right behind the Wheelhouse connected to a major Ships Office and Radio Room.

The “Commander” with his unconventional and vanguard design is definitely a novelty in the mega yacht scene. Fly bridge Deck Optional as:

Sports Deck or Helicopter Platform or as Sun Cocktail Deck and dancing floor, connected to the bar and party area merging into the Pool- and Sunbath-Area. Sliding roof with an integrated LCD-Screen protects the guests enjoying the Jacuzzi and the drinks right next to them on the long bar-board. Pool with glass element offers exciting views amongst others to the deck below.
