Dimensions

LOA: 43' 3" (13.18m)

LWL: 41' 1" (12.52m)

Beam: 14' 1" (4.29m)

Max Draft: 4' 2" (1.27m)

Speed, Capacities and Weight

Cruise Speed: 14 Kts. (16 MPH)

Max Speed: 18 Kts. (21 MPH)

Displacement: 39000 Pounds

Gross Tonnage: 39000 Pounds

Water Capacity: 280 Gallons

Holding Tank: 30 Gallons

Fuel Capacity: 600 Gallons

Accommodations

Total Cabins: 2

Total Heads: 2

Hull and Deck Information

Hull Material: Fiberglass

Deck Material: Fiberglass

Hull Configuration: Semi-Displacement

Hull Designer: Ken Smith

Interior Designer: Grand Banks

Engine Information

Engines: 2

Manufacturer: Cummins

Model: 6B 5.9-M3

Engine Type: Inboard

DETAILED INFORMATION

Notable Features

Notable Features: • Fiberglass Non Skid Decks, No Teak Decks • Stainless Steel Arch w/ Electric Tender Davit • Two Cabin, Two head w/ shared shower layout • Cummins 370hp Turbo Diesels • Custom Salon Layout w/ Corner Entertainment Center • Stored under covered slip majority of time

Accommodations

VOYAGEUR offers spacious accommodations with the salon, galley, lower helm and aft deck all on the same level; 2 staterooms with island modified queen berth in the master stateroom and athwartships twins in the port guest cabin. The Europa offers an abundance of outdoor space under the covered aft and side decks and on the flybridge. One enters the main salon through double sliding doors from the covered aft deck or the starboard pilothouse side deck door. The custom salon layout offers an L-settee to starboard with storage below, teak drop leaf hi/lo table. There are two GB teak chairs to port with one teak footstool and teak table between with integrated book racks below. The entertainment center is cleverly located in a custom cabinet in the port aft corner of the salon. The lower helm is forward to starboard with an access door to the side deck. This makes shorthanded docking easy and the large walkaround decks allow crew to safely move about the boat even in inclement weather. The L-shaped galley is to port and features Grunert refrigeration, Grunert cold plate freezer, 2-burner electric stove, convection/microwave oven, large cutting board covering the large Stainless steel sink and U-Line icemaker at the custom bar to starboard. A custom-designed "dumb waiter" is overhead to starboard and is a very useful feature to transfer food, drinks and more from the galley to the flybridge. There is plentiful storage in the galley with GB overhead dish lockers, drawers and cabinets and forward countertop storage. The master stateroom is forward with a centerline walkaround queen berth and flush mounted 19" TV. There are two reading lamps abundant storage beneath the berth, large cedar-lined hanging locker, custom bookshelves, several lockers and drawers, two opening ports and an overhead hatch. Ensuite to this cabin is the master head to starboard which includes a Vacuflush head, mirror and additional lighting. The guest stateroom is to port and features athwartships twin berths with storage below each berth, cedar-lined hanging locker, overhead storage, built-in bookshelves, two opening ports and an opening hatch. The guest head is across the passageway to starboard and also includes a Vacuflush head, mirror and additional lighting. There is a shared stall shower between both heads. It's a huge benefit to have the two head arrangement while cruising. This allows for a backup in case of an issue with a head and also designates the owners head private.

Salon

The salon is accessed from the aft deck through double teak sliding doors. Doors lock open

allowing a seamless merger of inside and outside spaces. To port are two teak chairs, one teak foot stool and a teak cabinet between with integrated book racks. The entertainment center is positioned in the aft port corner with TV/Bose FM/AM Stereo/CD Changer. To starboard is an L-settee and teak Hi/Lo dining table. The settee offers storage below accessed via optional hydraulic lifts. Just forward of the settee is a custom bar cabinet housing the U-Line ice maker. All teak seating is finished in green Ultra Suede. The parquet cabin sole has been covered by carpet since new and is in very good condition.

Galley

- Grunert cold plate refrigerators (2), each with internal temperature sight gauges
- Top loading Grunert holding plate freezer
- Two burner electric stove
- Sharp convection/microwave oven (New 2014)
- U-Line ice maker
- Dumb Waiter from galley to bridge
- Cutting board/serving tray fits over double sink
- Corian countertops
- Overhead custom pull-down dish storage cabinets
- Condiment locker, overhead
- 12V Exhaust blower
- Garbage bin

Helm

- Teak steering wheel
- Fixed double helm seat finished in green Ultra Suede w/ supplemental refrigerator beneath
- Instrumentation panel
- Alarm panel, engine temperature & oil pressure
- AC/DC control panel
- E Garmin Color Chart Plotter Fly Bridge (new 2014) in an automated electronics cabinet
- Electronic locker overhead, teak
- Rudder angle indicator
- Indicator light, reverse polarity
- 12V DC Outlet
- 12V Windshield wipers/washer w/ intermittent switch

Electronics

- Garmin Color Chart Plotter/ Radar on Fly Bridge (new 2014) in an automated electronics cabinet
- Garmin Color Chart Plotter Lower Station overhead console (2014)
- Garmin Radar Dome (new 2014)
- Raytheon Depth Sounders Interfaced to GPS Chart Map (2) (Helm & Bridge Stations)
- Raytheon Autopilot (Helm & Bridge) (2)
- Ritchie Compass (Helm & Bridge) (2)
- Raymarine & Northstar GPS (Helm & Bridge) (2)
- Standard Horizon VHF (Helm & Bridge) (2)
- 19" TV set in salon and master cabin (2)
- CD player (2)
- Alpine AM/FM Radios (2)
- Raymarine Cameras interfaced to chart plotter (Aft for viewing while backing & docking) (2)
- Large SS Hand Positioned Spot Light
- Air Whistle, Air Horn
- Bose Stereo
- Standard Hailer
- Intercom

Electrical Equipment

- Onan 9kw Generator w/sound shield and Lexan face for easy viewing; 1,350 hrs.
- Generator amp & volt meters
- Inverter - 2500 watt inverter/charger w/electric monitoring panel
- Ground fault circuit protection outlets
- High exhaust temperature alarm
- (5) AGM (Absorbed Glass Mat)

Batteries (5) • (2) Battery Gauges (Helm & Bridge Stations) • Battery charger • Shore power inlets - 50amp electric cable cord, bow & stern • TV & phone inlet, bow • Alternator, each engine • Bonding system • Galvanic isolator • 12V Engine room blowers • 12V Engine room lights • Indicator light, bilge pump • Indicator light, reverse polarity • 12V Navigation lights • 12V Spreader lights on mast • 12V Holding tank w/ pump out • 12V Fresh water system, pressurized • Water heater

Engine/Mechanical Equipment

• Twin Cummins 6B 5.9-M3 370hp diesel engines • Glendenning Synchronizers • Hydraulic steering • ZF Marine Gears; Ratio 2.478:1 • Throttle & gear shift controls, dual station • Engine room sound insulation • Fuel manifold system • Fuel tanks w/ upper & lower automatic self-closing valves for sight gauges • Dual Racor Fuel Filters • Racor on generator • Dripless shaft seals • Exhaust system, sea-water cooled • Separating filters, fuel-water • Water/Gas separator installed on generators exhaust system • Oil Transfer System • Oil changes pump system • Engine raw water intake strainers • Seacocks on all thru-hulls below waterline • Propellers, bronze • Propeller shafts, stainless steel • Rudders, fiberglass • Struts, bronze w/ rudder bearings • Air conditioning - (2) Reverse Cycle MarineAir 16,000 BTU units w/ digital controls • Fresh water outlet in engine room • Water tank, stainless steel, painted • Vacu-flush electric heads (2) • Electric bilge pumps (2) • Manual bilge pump • Bilge Blowers

Hull & Construction

• Epoxy undercoat • Gel-coated fiberglass exterior • Hand laid fiberglass • Painted boot-top

Aft Deck/ Cockpit

• Non-skid decks • Lazarette storage w/ pneumatic cylinder assisted w/ lock & ladder • Molded fiberglass ladder to flybridge w/ stainless steel rails • Swim ladder • Swim platform • Transom boarding steps, teak • Transom hot/cold shower w/ retractable hose

Deck Equipment

This very popular Grand Banks Europa design incorporates covered side decks, a spacious covered aft deck, extra wide swim platform with easy transom door access to ensure all of her outdoor space is used for comfortable and safe cruising. There is a large lazarette under the aft deck for storage and access to washer/dryer, along with a secondary access to the engine room. Aft of this hatch are two cockpit storage hatches. • Danforth and Bruce Anchors (2) • Bow & Anchor pulpit • Anchor chain locker • Fresh and salt water deck washdowns, (2) fwd & aft • Perko Marine 8" Searchlight I Spotlight • Kahlenberg dual air horns • Steam whistle • Stainless steel grab rails • Chocks and cleats, stainless steel • Opening ports w/ screens • Waste pump-

out deck fittings • Courtesy lights, side decks • Flagstaff holders, bow & stern

Flybridge

Access to the flybridge is via a molded staircase from the aft deck. This is a major benefit of the Europa vs other flybridge yachts in this size range. The flybridge offers a full helm and spacious guest seating areas. On the flybridge, a fold-down stainless steel radar arch in lieu of the standard reduces bridge clearance to 15-ft. with arch folded. • Apex 11' RIB Tender w/ 2005 Yamaha 15hp outboard • 800 lb. electric Davit • Lofrans Windlass • Stainless steel steering wheel • Instrumentation panel • Alarm panel, engine temperature & oil pressure • Electronics locker • Storage boxes under seats with teak grating • Stainless steel safety rails • Non-skid decks

Exclusions

Owner's personal belongings, Throw Pillows and Bedding, Lamps in Salon (2), Loose Galley Items. Any items seen aboard and not specifically mentioned in this listing should be considered exclusionary.

Remarks

There is a long list of custom features that make this boat much more desirable than a stock GB42 Europa and others on the market. She spent most of her days under a covered dock when not cruising and truly shows like a much newer boat inside and out. Your inspection of "VOYAGEUR" is encouraged if you are considering boats in this category.

Exclusions

Owner's personal belongings.

Disclaimer
