Overview

The Sunseeker Manhattan 84 is one of the most highly specified high-performance yachts in the world. She is easy to handle and can achieve impressive speed. She offers every imaginable comfort and convenience, including a Jacuzzi on the flybridge deck, which also features its own day galley and bar. These are complemented by a large split-level saloon below. Besides the use of the finest materials, what makes the Manhattan 84 especially distinctive is that she is built to order.
