SPECIFICATIONS

Overview

This Ocean Alexander features a spacious salon, raised pilothouse area with dinette and galley, 2 staterooms forward, and work/laundry room. There is a wide open feeling of the boat due to the pilot house/galley opening to the saloon. Gratitude boasts a stunning modern stairway to fly bridge, with a fly bridge bimini. The two stateroom layout allows for an incredible amount of storage, a laundry/workshop, and walk around engines. In the lower hall, there are three large cabinets to serve as pantry and other miscellaneous storage. Below the salon is the spacious engine room with superior engine access and aft below the cockpit the huge lazarette. This boat is power by deduc electronic engines giving much better fuel economy and less smoke on start up. Gratitude has underwater exhausts with virtually no diesel smell and super quiet engines. The boat is very easy to keep cool --just open the hatch to the fly bridge and the boat instantly cools off and stays that way.
