## Overview

---

RAPTOR is one of the nicest, cleanest and well equipped 56' Viking Yachts on the market. Ice blue hull, teak pod helm, Palm Beach tower, 157 sq ft teak cockpit, underwater exhaust. This vessel is a three stateroom - two head layout with many of the Viking upgrades including granite countertops throughout. This boat is set up for a serious fisherman or family cruising!

RAPTOR features the latest layout available in a 56 Viking. Highlights include an athwartship master berth, VIP layout forward and the starboard stateroom features upper & lower L-shaped berths.

The main salon is accessed via an electric sliding door. The large L-shaped lounge is aft to port. The galley is forward to port and the very comfortable 5 place dinette is opposite. Many upgrades were implemented when this custom yacht was built, including granite, additional teak accents and a totally custom interior along with a myriad of lighting, hardware and convenient features.
