SPECIFICATIONS

Overview

Why buy a new boat when you can get a boat that is less than a year old at a major discount? This boat has only 60 hours on the engines. Electronics have been installed. Come see her in Miami.

Basic Information

Category: Catamaran

Sub Category: Center Console

Model Year: 2014

Year Built: 2014

Country: United States

Vessel Top: Open W/T-Top

LOA: 32' 2" (9.80m)

Beam: 10' 6" (3.20m)

Min Draft: 1' 4" (0.41m)

Clearance: 9' 0" (2.74m)

Speed, Capacities and Weight

Displacement: 9200 Pounds

Water Capacity: 20 Gallons

Holding Tank: 15 Gallons

Fuel Capacity: 150 Gallons

Accommodations

Total Heads: 1

Hull and Deck Information

Hull Material: Fiberglass

Hull Configuration: Catamaran

Engine Information

Engines: 2

Manufacturer: Yamaha

Engine Type: Outboard

Fuel Type: Gas

DETAILED INFORMATION

Manufacturer's Description

By resin infusing the hull of the 320CC, World Cat is able to reduce overall weight while increasing structural stability. This infused hull is then chemically bonded to the fiberglass super-structure and finally to the deck. Unique to cats, you can have less weight, while still having an incredibly soft ride, and achieve better fuel efficiencies and higher speeds.

In addition to being stronger, lighter, and faster, the 320CC is spacious. There is a lot of room to fish, to socialize, or to relax as you cruise past the mono's getting beat up.

Its strength gives you a solid ride. Its layout and features will accommodate your friends and family for offshore day cruises or hardcore offshore fishing. Fishermen will appreciate the huge cockpit depth, the 1300+ quarts of fishbox or dry storage space, the 12-gunnel mounted rod holders, and the 45-gallon livewell. And when you're not fishing, you'll enjoy 6-adult seating capacity upfront, perfect for an evening cruise, as well as the swim-platform for diving at the reef with the family. The 320CC's smooth dry ride lets you enjoy both hardcore fishing and family time like never before.

Standard Equipment

- Ten-year limited, transferable, structural hull warranty
- Non-corrosive, polyethylene fuel tanks, which will not rust or corrode in the harsh salt-water environment
- Large diameter PVC rigging tubes provide ample room for the rigging of electronics, while providing excellent chafe protection for the electrical systems
- Self-bailing cockpits with a minimum of four (4) oversized drains utilizing gravity to quickly drain your deck
- Minimum of two (2) 1500-gph bilge pumps with automatic float switches quickly evacuate the hull to keep you safe and your hull dry in almost any situation
- 100 percent composite transom reinforced with aluminum backing plates to hold up the stress of high-horsepower engines
- Break-away dive ladder for easy transom entry, added safety and convenience
- Water-resistant bilge hatches with compression gaskets in motor-wells provide bilge pump access and serviceability
- Livewells and fishboxes are double insulated with composite coring and urethane foam for consistent temperature control
- Molded-in diamond pattern non-skid on all walking surfaces provide enough grab for safety without hurting your feet
- Toe-rails to increase cockpit floor-space and fishability while improving comfort and safety.

- All cleats and rod-holders are through-bolted with backing plates for heavy-duty marine use
- Premium marine grade vinyl and foam used on all upholstery to provide years of good looks and easy care
- Bow Anchor locker for convenient storage of chain and rode
- LED cockpit and navigational lighting for years of trouble-free boating
- Heavy-duty wiring systems meet or exceed all NMMA requirements and include tinned copper wiring, Deutsch sealed connectors, and wires labeled every three inches
- Hydraulic steering system with tilt-helm, dual steering cylinders, and a liquid tie-bar
- All World Cats are NMMA certified following ABYC standards while all models over 26 feet are Yacht Certified for added safety
- Battery management system monitors and chargers all three (3) battery banks while allowing for emergency paralleling for increased safety
- Comfortable placement of controls, gauges, and electronics while assuring excellent bow visibility per ABYC guidelines. The helm is simple, safe, and fun!
- Stainless steel cup holders
- (2) twist lock 12V DC plugs in the cockpit for downriggers, electric reels, kites, or drink blender
- Eight (8) stainless steel recessed cleats provide maximum holding power and minimum interference with fishing lines
- All wires are labeled every 3 inches for ease of maintenance and serviceability
- (4) pop-up fender cleats
- Full upholstery kit includes aft coaming pads on all boats and forward coaming pads on center consoles
- Customer care package including Coast Guard kit, four (4) fenders, six (6) dock lines, and batteries
- Chrome-plated, epoxy-coated stainless steel fasteners throughout for long-term performance and appearance
- Raw and fresh water systems

Options
