Cruise Speed: 27 Kts. (31 MPH)

Max Speed: 32 Kts. (37 MPH)

Accommodations

Total Cabins: 2

Total Heads: 2

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Cummins

Model: Qsb

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Deck and Hull Construction

- Hand laid GRP construction for Hull and Superstructure
- Solid fiberglass hull bottom
- Fiberglass structural stringers
- Resin-infused composite construction using foam core with layers of fiberglass laminate for all main bulkhead and floors
- white GelCoat superstructure blue Awlgrip hull
- Rudder plate antifouled
- Non-skid foredeck, side deck, aft deck and cockpit

Deck and Hull Fittings

- All exterior hardware thru-bolted
- 2 Foredeck hatches (escape hatch size)
- Stainless steel bow rail with pennant staff
- 1" round-type stainless steel hand rail with stanchions for main deck
- Deck superstructure bolted and bonded to hull along bulwark line, with the joint capped in rub rail
- 2 Stainless steel fairleads at bow
- 2 Stainless steel amidships cleats
- 2 Stainless steel cleats at transom
- 2 Hawse pipes at transom
- 2 Fender holders
- Fuel and fresh water deck fillers
- High quality stainless steel door hinges and latches
- Navigation Lights: Port, Starboard, Steaming, Stern and Anchor
- Air Horn
- Clear tempered glass for pilot house windshields
- Tinted tempered glass for side windows
- Tinted tempered glass for aft deck door
- Dockside shore television / telephone connections
- AM/FM radio antenna
- Fly screens for all opening portholes
- Front windshield and salon side window covers
- Owner's manual in English

Anchor, Mooring and Tender Equipment

- Bow pulpit with anchor roller
- 35-lb (16 Kg) anchor
- 150 Ft (46 M) 5/16" (8 mm) anchor chain
- Anchor roller: Stainless steel channel with nylon
- Anchor locker hatch

Stern Gear

- Inertia stainless steel propellers

Steering System

- Cummins Zeus hydraulic steering
- Cummins Zeus engine throttle control with joystick for upper and lower helm
- Cummins Zeus integrated trim tab and control

Engines and Drive Train

- Twin Cummins Zeus 3500 POD drives with Cummins Qsb 480 Hp diesel engines with integrated transmission and trolling valve
- Full engine warranties
- Bronze gearcase with breakaway skeg
- Freshwater cooled engine
- Racor fuel filter and water separator for engines
- Engine alarm for low oil pressure and high temperature

Engine Room

- Direct access from removable deck panel from cockpit
- Well-planned engine room
- Engine mounts on Black mild steel channels for strength and vibration absorption
- Forward and aft watertight bulkheads
- Sound and heat insulation - Bulkhead (1 layer) and Ceiling (1 layer)
- White Frp diamond floor plates
- Natural ventilation through hull side grills, with natural and forced extraction Systems
- 2 Engine room extractor fans or equivalent
- Emergency air intake and extraction shut off
- Freshwater fill hose for engines and generators
- Duplex receptacles
- AC Fluorescent lights

- DC Lights
- White painted engine room bilge and lazarette

Electrical System

- AC 110/220v 60hz single phase electrical system
- Color-coded wiring for easy identification and as per ABYC standard
- 2 x 200 Ah wet cell batteries, exclusively for engine start
- 120 Ah wet cell battery for generator start
- 2 x 200 Ah wet cell batteries for DC 12v domestic service
- Closed acid-proof fiberglass battery box with cover and vent hose
- Battery selector switches
- Master Volt Ivo Smart 12/35 automatic battery charger
- Master Volt Mass Combi 12/1200-60 inverter / charger
- Battery parallel system for main engines and generator start
- Engine alternators charge via diode system to isolate engine start batteries from domestic service
- Onan E-Qd 13 kW / 60 Hz single phase generator(70hrs 7-10-14) with sound shield, Racor filter, muffler and gas & water separator
- Main electrical panel includes separate AC power control and AC circuit breaker panel, DC 12 / 24v, DC monitoring & main circuit breaker panel
- Electrical panels with back lighting
- 60 Amp AC to DC power converter
- 50 Amp Hubbell shore power inlet with 50 Ft (15.24 M) cable in built-in locker at transom
- Dyna Plate ground system
- Galvanic isolator
- Internal bonding system
- DC 12v lights throughout
- High quality light switch
- High quality AC sockets

Fuel System

- Total fuel capacity of 450 US gallons (1,703 liters) in aluminum fuel tanks
- USCG - A2 compliant fuel pipe
- Deck fill for fuel tanks
- Manual fuel shut-off valves outside of engine room
- Fuel sight gauges
- Fuel gauges at lower helm
- Electric fuel transfer pump

Bilge System

- 4 Automatic electric bilge pumps with manual override
- Floating switches to each compartment
- High water-level alarms for each compartment with indicator on boat indicator panel
- 2 Manual bilge Pumps in engine room
- DC lights to all bilge areas

Sea Water System

- High quality sea water strainers for all sea water inlets
- Sea cocks to all underwater fittings
- Bronze through-hull fittings with gate valve

Fresh Water System

- 100 US gallons (378 Liters) capacity of fresh water in tank
- Water level site gauge(s)
- Electric water-level gauge at main helm
- Deck fill for fresh water tank
- City / Shore water inlet with pressure regulator
- Kitec fresh water pipeline
- ITT Jabsco® fresh water system - Variable Speed Drive Pump Senor,* Max™, 4.5 gallon/minute (17 liters per minute) flow rate, high flow filter
- 20-Gallon water heater

Black and Gray Water System

- FRP holding tank with indicator at main electrical panel
- Macerator pump for holding tank
- Y-valve for dockside pump out from holding tank
- Holding tank level gauge next to lower helm station
- 2 x DC 12 / 24v electrical toilets with control panels for heads
- DC 24v sump pumps in independent sump tank
- 2 Independent fiberglass sump tanks with tinted clear cover and inspection hatch
- Water & waste lines to ABYC standard

Air Conditioning and Heating System

- Air conditioning / reverse cycle heating system including 12,000 BTU x 2 for guest cabins,

and 16,000 BTU x 2 for salon and gallery

- Digital controls
- Air conditioning compressor through-hull at transom

Emergency and Firefighting System

- Sea Fire FD700 (FM200) fire extinguisher system
- Sea Fire carbon monoxide (CO) detectors for engine room, main deck and guest cabin

Flybridge

- Self-draining deck
- Molded fiberglass seating with cushions and storage
- GRP table-top on stainless steel pedestal with sliding mechanism
- Bridge sun pad
- White vinyl for exterior cushions
- Molded fiberglass radar arch
- Stainless steel anchor lights bracket
- Lexan tinted wind-deflector screen with stainless steel frame
- Molded stairway with non-skid finish steps for direct access to flybridge from aft deck
- Safety rail for arch and sun pad area
- Lower level flybridge lighting
- Cover for exterior furniture including seat, table top and sun pad

Flybridge Helm

- High quality steering wheel
- Engine instrument
- Engine throttle control
- Trim tab control
- Anchor windlass control
- Horn control
- Navigation lights switch
- Lights switches
- Engine room fan switch
- GFI power socket
- Bilge pump controls with integral operating warning lights and audible alarms
- Sea Fire extinguisher alarm and test panel
- 12v power point
- Helm position indicator

Aft Deck, Cockpit and Swim Platform

- Fiberglass bench seating with cushions
- White vinyl for exterior cushions
- Storage under fiberglass bench seating
- Stairway to foredeck
- Transom gate
- Removable deck hatch and ladder to access engine room and lazarette
- Hand-held shower with hot and cold water
- Fresh water wash down outlet
- Overhead lighting
- 2 Overhead speakers connected to audio system in main salon
- 2 GFI power sockets
- Cover for exterior furniture including seat and table top
- Swim platform integral to hull and deck
- Safety transom grab rail
- Removable swim ladder

Interior Furnishings - General Information

- Synthetic wood flooring and vinyl finish interior
- Satin finish cherry wood cabinetry
- Push / pull German latches - chrome
- Italian door handle package - chrome

Main Helm Station

- Helm station with easy access to dashboard control
- Black vinyl upholstered helm instrument console
- Black vinyl upholstered helmsman's bench
- Hydraulic power steering
- Car size steering wheel
- Engine instrument
- Engine throttle control
- Generator remote start / stop
- Trim tab control
- Windlass control
- Horn control
- Navigation lights breaker switch
- Engine room fan switch
- Bilge pump controls with integral operating warning lights and audible alarms
- Holding tank indicator

- Magnetic compass
- Master electric control panel with AC and DC circuit breakers
- 3 variable speed windscreen wipers (pantograph type) with washer
- Rocker switch controls
- 12v power point
- Drink holders
- Helm position indicator

Electronics

Navigation Electronics package at each of the Dual Helm Stations including:

- SIMRAD 4 kW 18" Radome and cable
- SIMRAD GPS sensor
- 12.1"E120w multi-function navigation display
- SIMRAD 240E VHF
- ST6002 Zeus autopilot control head and accessories
- SIMRAD SPX30 SmartPilot corepack
- SDST800 LP TH plastic DST transducer with cable

Main Salon / Dining Area

- White vinyl wall paneling and bulkhead
- Molded storage cabinets with shelves
- Television cabinet
- U-shaped leather sofa with storage underneath
- Table: manual adjustable hi / low table
- 2 Single leather sofas
- Vinyl finish floor
- Curtains or blinds with quality fabrics
- Manual stainless steel framed sliding door to aft deck with tinted glass
- Light switches
- AC power sockets
- AM/FM/CD/DVD playable car stereo with four (4) speakers
- Install owner supplied television
- Air conditioning controls
- Air conditioning vents
- 32" LCD television with power lift
- Home cinema system with CD/DVD player, AM/FM radio, speakers and subwoofer

Galley

- White vinyl wall paneling and bulkhead
- Storage cabinets
- Corian work top and back splash
- Stainless steel galley sink
- Grohe Euro-plus sink faucet
- 2-ring burner electric hob
- Microwave oven
- Bar type fridge/freezer
- Beverage glass holders
- Vinyl finish floor
- Light switches
- AC power sockets
- 2 GFI power sockets

Master Stateroom

- Wood veneer wall paneling and bulkhead
- Storage cabinet with drawers and wood veneer top
- Large double bed with 5" foam mattress, pillows and bedspread
- Storage under bed
- Upholstered headboard with quality fabric
- Cedar-lined wardrobe with light
- Carpet floor
- Fixed porthole with curtains
- Overhead window with curtain
- White vinyl headliner panel with overhead lights
- Light switches
- AC power sockets
- Air condition control
- 42" LCD TV

Master Bathroom

- Fully molded bathroom and shower with storage cabinets
- Direct access from master stateroom
- Storage cabinet with mirror
- Sink
- Sink faucet
- Vinyl bathroom floor
- Fixed porthole
- Toilet
- Toilet paper holder

- Towel bar
- Extractor fan
- Light switches
- 2 AC power sockets
- Walk-in shower
- Grohe Euro-plus shower set
- Non-skid shower floor
- Ital folding shower door
- Molded FPP shower seat

Guest Stateroom

- Wood veneer wall paneling and bulkhead
- Storage cabinet with drawers and wood veneer top
- Twin bed with 5" foam mattress, pillows and bedspread
- Storage under bed
- Upholstered headboard with quality fabric
- Cedar-lined wardrobe with light
- Carpet floor
- Fixed porthole with curtains
- Overhead window with curtain
- White vinyl headliner panel with overhead lights
- Light switches
- AC power sockets
- Air condition control

Extra Features
