## Vessel Walkthrough

---

“Milk Money” sleeps comfortably eight (8) owners and guest in four (4) staterooms. Crew accommodations in three (3) staterooms, Captain’s Quarters are separate and aft.

“Milk Money” represents a rare opportunity to purchase a late model fiberglass composition motor yacht with excellent performance and low maintenance. This vessel offers a large Salon with a walk-behind step down bar to port and formal dining in the forward section of the Salon. There are custom buffet cabinets for storage of formal dinnerware and a 50-bottle wine cooler. From the Salon to the Aft Deck you enter through large stainless steel counter balanced automatic double doors. There is U-shaped Aft Deck seating and occasional chairs facing aft for ultimate viewing at anchorage or at a marina.

Going forward and to starboard is the large, “Country-Kitchen Style Galley”. This Galley offers a pull-out pantry and “Lazy Susans” in the corner. There is a full array of top-end appliances for maximum entertaining capabilities. “Milk Money’s” layout provides a very open feeling with casual raised U-shaped seating and two (2) occasional bar stools that can be pulled over for additional seating. This area of the yacht is most popular due to the casual nature of the exhibition-style Galley. Granite countertops from the Salon have been carried throughout the Main Deck to include the Galley, Dinette, and forward counters. The cabinets and other doors are solid wood done in a “long-end-grainy effect,” a very costly manner of joinery (butcher-block), in-lieu of the typical manufactured hollow doors with veneer skins. The VIP Guest Stateroom is located all the way forward down to lower deck from the Galley. This very private and secluded stateroom comes complete with en-suite head and walk-in closet. This layout works very well, enabling the owners to be midship, guest to be forward and crew aft for full utilization of the entire boat.

## Aft Deck

---

“Milk Money’s” large Aft Deck offers fabulous accommodations for entertaining featuring a deck table, bar, Whirlpool refrigerator and icemaker, sink with hot & cold running water and storage area. There is also a hand-held shower with hot and cold water. Storage lockers in bulwark, spiral staircase up to Flybridge and down to Crew Quarters, Pioneer Marine speakers and Niles volume control, and recessed lights in overhead on Aft Deck combing. Additional items include the following:

- Stanley Dura-Glide operated sliding doors with side safety sensors for small children, motion sensor and push button sensor for entry
- Galley-Mate by Yacht-Mate filtration and purification for drinking water with 3 gallon

---

Reservoir with faucet on aft deck sink, and main salon bar

- (2) Fishing rod holders on swim platform
- Built swim ladder for swim platform
- Child-proof stainless safety gates to contain Small children on Aft Deck

## Salon

---

The Salon is entered aft through the custom stainless steel framed sliding door from the Aft Deck. To starboard and aft is a custom built-in sofa with end table, buffet cabinets with countertops throughout and two (2) closets. The Salon of "Milk Money" features an entertainment center with lift elevator for TV, audio-video storage and custom storage for CD's. This entertainment center features a 36" Sharp LCD TV, home theater system with 6-disc CD changer, Speaker Craft audio network, and keypad controls in all main areas. There is a vaulted ceiling fixture over the formal dining area. Lucite storage case provided for china, stemware and silver. Duette blinds with custom blind pocket. The full bar in the Salon includes a sunken floor, built-in Whirlpool icemaker, storage, rope lighting under counter edge and upholstered base on front of bar.
