SPECIFICATIONS

Overview

The 46 is the boat that started it all for Nordhavn. These very capable little ships are designed to be blue water cruisers and can be found in numerous ports around the world. "Rebecca Ann" is a beautiful example of a well-maintained 46' Nordhavn with numerous recent upgrades including new electronics and 24VDC bow and stern thrusters, just to name a few. She is ready to cruise and if you are looking for a turn-key Nordhavn, "Rebecca Ann" just may be the boat for you and your family to safely take off and start your adventures.

DETAILED INFORMATION

46' Nordhavn Accomodations

This is the popular two stateroom two head low profile model N46 that is preferred by many.

Entering from the cockpit, there is a newly upholstered L shaped seating lounge with storage, a fixed hi-lo Teak table, new Dansk leather chair and ottoman, small table and a new Samsung TV. Forward of the seating area is the galley, It has Corean counters with a remarkable 16' of counter space and lots of storage cabinets. The stairs to starboard from the saloon area take you up to the pilothouse. From there it is easy to view the expansive array of new electronics and access side decks via port and starboard wing doors. Behind is a settee, Teak table and watch berth. From the salon you take another set of stairs down to the two staterooms. The Owners suite is forward and has an en-suite head and shower with Corean counters. There is a Center-line queen berth, Samsung flat screen TV, small settee and dressing mirror on the aft wall. There is also a large cedar lined hanging locker and additional storage drawers on both sides of the master bed. The guest stateroom is aft of the master with double bunks and a guest head and shower across the companionway which is also used as the day head. Laundry is located in the companionway between the master and guest stateroom. She is very well equipped and newly decorated
