SPECIFICATIONS

Overview

A classy looking jetboat built with Sunseeker's quality and name. Believed to be only one of two in Australia, these limited-edition jet boats were built by Sunseeker in the 1990's as the tenders for their 60 – 70 foot Sunseeker range. Fully serviced engine and jet, this vessel has been recently fully overhauled. Would be an ideal tender for any large Sunseeker or other vessel making you the envy of the water. Powered by a 90hp two-stroke Mercury Sports Jet engine, you will be able to have all the fun you can handle. Being a jet boat you will be able to have the benefit of cruising into shallow waters where outboards can't go – great for playing about and high speed handling. Plenty of room for 3 adults, dry storage areas for towels and supplies. An easy access swim platform at the rear of the boat that is ideal for swimming and a stainless steel tow point for inflatable toys and skiers. Comes with a brand new trailer with six months rego. Price: \$19,900 plus GST Contact Richard Morris – +61 410 689 289
