DETAILED INFORMATION

General Accommodations

Board at aft cockpit boarding gates port and starboard. Cockpit offers generous deck space and full beam settee aft with removable cushions. Nearly the entire cockpit deck lifts open with two push-button operated engine space hatches making for excellent access to engines and systems. Aft Settee opens to access generator and large storage space in lazarette. Additional seating and storage cabinets forward along with ladder up to fly bridge and electric/hydraulic lowering antenna mast for reduced bridge clearance.

Open fly bridge features settees port and starboard and two swiveling helm chairs. Forward console is home to full engine controls and navigational electronics. Storage available under forward console and settees.

Enter the salon from the cockpit. Flooded with light from the large windows, the salon features an L-shaped settee and a bar and two stools forward to port. Starboard are two moveable chairs and a cozy electric fireplace/heater. TV, stereo, computer and small desk installed in starboard side cabinetry with additional storage cabinets and spaces.

Down, forward and largely open to the salon is the fully functional, atrium style galley with updated appliances. To starboard of the galley is the convenient laundry center and convenient day/guest head. Forward of the guest head and also to starboard is the two bunk guest cabin with private entry to the head, hanging locker and drawers for guests' storage.

Continue forward through the companionway to enter the Master suite with private head with shower/tub to port and sleeping cabin forward. Large double berth with plenty of storage and cabinets, vanity to starboard and stair/ladder forward to access the unique forward navigation cockpit.
