DETAILED INFORMATION

Note

"Owner looking for a contract in the next 30 days. Submit all offers. Now conveniently located in Ft. Lauderdale at Cheoy Lee Docks. Call for more information or showing".

Accommodations

"Illiquid" is a perfect combination of comfort, luxury and performance that you would expect from a raised pilothouse yacht fisherman designed by Tom Fexas. "Illiquid" has 3 large staterooms and 3 heads each of the staterooms can be converted to accommodate more guests if needed. She will cruise all day in style at 22 knots with quiet and fuel friendly C-18 Cat's or handles the rough seas off the coast with her huge 20' beam and large keel. "Illiquid" has every option you need to either cruise in comfort or fish all day. She is captain maintained and in perfect condition.

As soon as you step onto the swim step you realize this yacht is much larger than any other 72' yacht you have ever been on. The cockpit is large and well thought out and can accommodate several seated guests or fishermen. The salon is entered through a large stainless trimmed glass sliding door and immediately shows style and comfort. There is a large custom settee which is built-in to starboard. across from the settee is a built-in entertainment system with a large TV, refrigerator and lots of storage. Above the entertainment system is a full length counter top/serving bar. The salon has very large windows with shades and vast headroom.

As you move forward of the salon there is a very useful day head. Just 2 steps up from salon is the well appointed full-size galley and pilothouse with size-able dinette to port. The galley features Corian counter tops and full size stainless steel appliances with a great view of the outside surroundings. Forward of the galley and to starboard of the pilothouse a stairway leads to three staterooms and heads.
