Salesman's Remarks

Beautiful and efficient with a fantastic ride second to none in any sea conditions, the Freedom 56 is a proven tournament winner and fish raiser that will go to sea like no other vessel in her class. This Applied Concepts designed Custom Carolina was built under the studious eye of Jim Polatte, whose 30 years of boat-building experience produced a vessel that will exceed all expectations. The IPS engine package has fished the southern Caribbean, Bahamas and throughout the east coast of the US, providing unparalleled performance and economy. A change of owner's plans has made this tremendous buying opportunity available on this high quality Carolina Custom. The prospective buyer will find this vessel to be one of the finest finished and riding sport fish boats produced in North Carolina. This IPS powered vessel's performance and fish ability is phenomenal; it just doesn't get any better.

The owner has priced this vessel to be sold and all reasonable offers will be considered.
