DETAILED INFORMATION

Manufacturer Provided Description

Cruisers Yachts' 370 Express features a sleek express exterior with plenty of cockpit space and a well-thought-out layout, effectively combining above deck comfort with a sweet, performance-driven profile. Most importantly, owners can select from two interior layouts. With the single stateroom layout, the 370 achieves a wide-open feel. The airy salon is one continuous living space from the forward stateroom to the comfortable aft settee. The double stateroom layout offers a midcabin stateroom with twin berths instead of the settee. In either case, the 370 is able to comfortably provide sleeping accommodations for five people and has a generous 6-foot, 6-inch headroom. Another benefit of the 370 is a galley layout that positions the refrigerator conveniently at eye level, which also allows for more storage in the galley. This arrangement is located in close proximity to the cockpit for additional convenience when entertaining or relaxing topside. The forward stateroom boasts a large double bed that is easily accessible for maximum convenience. Additionally, the main head features a separate shower stall, in keeping with the idea of maximizing privacy, comfort and ease of use for those living aboard.
