Water Capacity: 60 Gallons

Fuel Capacity: 310 Gallons

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Yamaha

Engine Type: Inboard

Fuel Type: Gas

DETAILED INFORMATION

Introduction

“World-class” offshore center console delivers a convincing blend of quality, features, and fish ability. Standard fishing gear includes transom rigging station, 30-gallon standup live well, rod storage lockers, dual wash downs, and large-capacity fish boxes fore and aft. Oversized console permits expansive helm layout, and spacious head compartment. Hull pad provides extra low-speed lift. Extraordinary finish throughout. One of the most popular 31-footers ever. Over 45 knots with Yamaha 250s. This Jupiter 31 has been maintained professionally plus she has always been stored indoors

Construction

Closed cell PVC foam coring

Deck mechanically fastened and fiberglass bonded to hull

Fiberglass with uni-grid stringer system

Hand-laid with multidirectional biaxial & triaxial knitted fiberglass

Electronics

Garmin 4212 GPS

Alpine Marine stereo system

Broker Comments

Jupiter boats are built under the stern direction of Carl Herndon, Jupiter's president. Herndon is best known as the founder and CEO of Black fin Yacht Corporation and former president of Bertram Yachts where he earned the reputation for building some of the world's best and most respected sport fishing yachts. The Jupiter team includes many of the same experienced managers and skilled craftsmen who have worked with Carl over the years in a proven tradition of providing maximum offshore performance, superior quality, and meticulous craftsmanship in the boats they build.

Exclusions

Owner's personal belongings.
