Additional Comments

The Pirelli PZero 1100 is Pirelli's newest model having just made its international debut at the 2010 Genoa Boat Show. Boasting new technology and previous 'options only' as standard features along with a Queen-sized berth with complete separate head the PZero 1100 is simply amazing. Featuring Pirelli's signature center console design, this high performance luxury RIB is built on a proven multiple World Championship Offshore Powerboat Hull platform allowing for superior performance with stability so that even the novice is comfortable at the wheel. Once you drive a Pirelli, you will never want to drive another RIB in your life!
